Library To Sponsor 10 Cent Book Sale

The University Library will hold a 10 cent book sale from 8:30 a.m. to 5:30 p.m. Tuesday in Room 104; Patten. Books to be sold are duplicates and other materials no longer needed by the library.

A Naval Aviation Officer Information Team from the Naval Air Station, Willow Grove, Pennsylvania will be at the University from July 14th through the 18th. They will counsel male college students on the opportunities of a commission as a Naval Aviation Officer.

Seniors can qualify for pilot, flight officer or air intelligence officer and go on active duty after graduation. Students should inquire in these programs during their junior year.

Second semester sophomores, and juniors may apply for summer training programs (Aviation Reserve Officer Candidate) which leads to a commission and flight training.

Three new exhibits will be in Patten Library through July 27.

"Dickinson's Comprehensive Pictures of the Great Exhibition of 1851," a collection of lithographs, is on display

GRAHAM'S

assorted gumdrops, marshmallow, peanuts, old fashioned licorice, french gums, Pectin wafers, snow base, gumdrops, burnt peanuts and a wide assortment of penny candy

around the corner from the A Store on Allen Street

in the Circulation Department.

In the Main Lobby is a collection of color prints on Indian mythology which were loaned to the Library by Alfred Bobrowsky, senior research associate in the Materials Research Laboratory.

The section of parking lot yellow H between Walker and Whitmore labs is closed to all parking and will remain closed until the demolition of Walker Lab is completed.

In addition, the access road to yellow H from Pollock Rd. will be closed during the demolition.

Entrance and exit access to the open section of yellow H will be limited solely to the roadway between Osmond Lab and Boucke.

Paul Ebaugh, director of the Space Science and Research Laboratory at the University has accepted an invitation to witness the Apollo 11 moon shot scheduled for

Wednesday at Cape Kennedy, Fla.

John P. Hagen, head of the

PAUL EBAUGH, department of astronomy and a pioneer in the nation's

space efforts, also was invited to the Cape but will be unable to attend because of a previous commitment to be in Colorado at the time. Ebaugh, who also serves as

associate dean for research in the College of Engineering. Hagen served as director of the Space Science and Engineering Laboratory since it was established in 1965.

William W. Moyer has been appointed research assistant at the Ordnance Research Laboratory and has been assigned to the acoustics and signal processing division. Moyer, formerly employed at the General Electric Company, earned his bachelor's and master's degrees at Lehigh University.

Donald Byrne, assistant professor of English and chess coach at the University, has won the 1969 Puerto Rico Open Chess Championship.

Competing against a field of 98 players from June 15-21, Byrne won the title with a score of 6 1/2-1/2.

An international chess master and the only American with more victories than defeats against the Russians, Byrne is planning to go to Washington D.C. this weekend for the Eastern Open.

Starting July 16th the indoor pools in the Natatorium will be open to students for coeducational swimming. There will be no charge and students must show their matriculation cards to be admitted.

Swimming will be allowed from 6 p.m. to 10 p.m. on Tuesday thru Friday each week.
