"Mystique" by orange blossom

If the look of this setting makes you feel a little starry-eyed, that's what it was designed to do. Six individual diamonds create a fire-and-ice aura around a solitaire. But a star-like effect isn't all that you find in this ring. There's a little orange dot inside the band, that makes it very down-to-earth. It symbolizes a guarantee that will replace the ring during the first year of purchase, if it's lost, stolen or damaged. Now for the first time, a diamond is really forever. Mystique, by Orange Blossom.
