

# Threatened with knife Student robbed

By MIKE PECK Collegian Staff Writer  
A student told The Daily Collegian yesterday that he had been robbed at knife-point by at least one and possibly as many as three men in his Nittany 28 room at 7:30 p.m. Wednesday.

The student said he was sitting at his desk with the door open when the man's hand came around his neck

## logbook

and placed a knife against his neck. The student said that he told the robber he had \$9 in his wallet. The robber fled with the wallet shortly afterwards.

The Department of Security, which had not released the story to the Collegian, verified the crime had been reported but did not supply further details. Investigation is continuing, they said.

A second University student, living in Hartranft Hall, was treated at the Ritenour Health Center for injuries to his right eye and face sustained when he was assaulted by a group of men outside Hartranft, while a number of students looked on but make no attempt to aid him.

According to the Department of Security, the student was returning to his residence hall and passed the group who were tampering with a sign in front of the hall. He commented to them about their actions and they assaulted him.

The Department of Security has made no arrests but they said the case is still under investigation.

The director of the Chambers art gallery reported that two prints valued at \$205 had been stolen sometime between 9 p.m. Tuesday and 8 a.m. Wednesday from the Chambers gallery.

The supervisor of presentation services in Willard reported at 3:10 p.m. Wednesday a tape recorder loaned to a student had not been returned on time and the student could not be located, according to the Patrol.

A student reported to the Patrol an attempt to break into his car has been thwarted. The vent window of the auto had been broken while the car was parked in lot 83 North. The force used in breaking the window caused the alarm in his car to go off and the burglar was ap-

parently frightened away. The Patrol said the damage was estimated to be about \$10.

State College borough police reported that an attempt had been made to break into a cigarette machine located on the first floor of the Holiday Inn around 9:45 p.m. Wednesday. Police said the burglar apparently had been scared away before he could remove the coin box or merchandise.

Justice of the Peace Guy G. Mills reported the theft of a sign from the outside wall of his office sometime between 5 p.m. Tuesday and 9:40 a.m. Wednesday. Police said the 12x30 inch displayed his name and office hours.

Borough police also report an accident occurring at 12:48 p.m. Wednesday on South Atherton Street south of Calder Alley. The accident involved Phillip I. Park (graduate-regional planning-State College) and Harold P. Sampsell of Centre Hall.

Police said the accident occurred when Sampsell, traveling north on Atherton Street, braked to allow a car in front of him to turn into Calder Alley. Park, who was

traveling behind Sampsell, tried to stop but could not in time to avoid striking Sampsell's auto. Total damages were estimated at \$375.

State College District Magistrate Clifford H. Yorks set a March 7 hearing for Terence P. Coghian of Lemont and released him on bail of \$100. He was being arraigned on a charge of larceny filed by the Pennsylvania State Police who charged him with the theft of a bag of groceries, valued at \$34, from a car.

A March 9 hearing has been set for Richard E. Ritter of Burnham who was released on \$50 bail. He was being arraigned on a charge of indecent exposure filed by the Pennsylvania State Police. Campus Security has 80 bicycles stored in the Campus Patrol building which they have recovered since last term break.

Bicycles can be picked up Tuesdays and Thursdays from 2 to 4 p.m. and on Saturdays from 8 to noon.

During those times, students can register bikes with Campus Patrol. The Patrol said the registration may help students recover their bikes when they are stolen.

# AWS initiates action against abortion law

By KATHY SUHORSKY Collegian Staff Writer  
The Association of Women Students agreed to support a resolution of the Pennsylvania Abortion Coalition favoring abortion law repeal at its meeting Wednesday night.

The resolution states "We, the undersigned residents of the Commonwealth of Pennsylvania, believe that women have the right to control their reproductive lives and that abortion, a medical procedure, should be governed by the same rules which govern other medical procedures. In a free and pluralistic society, every woman, in consultation with her physician, must be free to make this private decision without threat of criminal penalties. Therefore, we urge the immediate removal of any laws which infringe upon these rights."

"The action was taken after the AWS was addressed by Helen Baer, program coordinator, and two students representing the Abortion Justice Association.

The representatives urged AWS to "take some stand concerning the Pennsylvania abortion laws. They requested that AWS sponsor a table on the ground floor of the Hetzel Union Building to seek petition support for abortion repeal and distribute information on the subject. AWS President Joyce Bratich said, "I think it's about time AWS decided some action on this. It's something we should do because there are women on campus who are concerned with the abortion issue."

The AWS senate voted to sponsor the table which is tentatively scheduled for next week. At the same meeting, AWS passed a resolution supporting student involvement in tenure decisions.

**INTERNATIONAL JOBS** - Europe, South America, Asia, Australia, U.S.A. Openings in all fields - Earning to \$500 weekly. Summer or permanent. Paid expenses, bonuses, travel. Complete information - only \$3.00.

International Employment, Box 721-P255, Peabody, Massachusetts 01960 (Not an employment agency)

The resolution, presented by a representative of the Wells Keddie Student Committee and Student Peace Union, recognizes the petition being circulated for a reinstatement of Keddie.

It further states, "In the interest of an open university, we feel legitimate student opinion is being presented by this aforementioned petition. We ask that this valid form of student opinion be justly considered by you, President Oswald, and that a reply of recognition be given as soon as possible."

The resolution, along with other material supporting Keddie, will be presented to University President Oswald on March 8 by supporters of Keddie.

AWS elected Miss Bratich as president for 1972-73.

The election followed passage of a by-laws revision permitting the AWS Senate to elect executive officers. Formerly, executive officers were elected through campus-wide elections supervised by AWS.

Miss Bratich had been appointed acting president of AWS with the consent of the Senate for this term earlier in the year.

Elected to other executive offices were Judy Sample (9th-social welfare-Erie) first vice-president, Andrea Kitch (6th-speech pathology and audiology-Slickville) secretary, and Jeanne Tremblay (7th-journalism-Whitehall) treasurer.

Somewhere in 100,000 square miles of Arizona desert was the fabled lode known as Mackenna's gold. Seventeen men and four women braved this wilderness and the threat of Apache attack, to recover the lost fortune. MACKENNA'S GOLD is the adventure-filled story of that search and of the strange human lust for gold.

# Coed elected to post; joins ARHS as VP

Chris Grim, (10th-political science-State College) has been elected vice president of the Association of Residence Hall Students, filling the vacancy created last week by the resignation of Bridget Whitley.

Miss Grim, who resigned from her post as USG senator from East Halls to take the vice president's job, said she has lived in the residence halls for three years "and I have had all the hassles."

She has worked in area government as a USG senator and became interested in the position of ARHS vice president when the vacancy was first created.

been missing so far is a forceful person who will follow through and make sure people do what they're supposed to do," Miss Grim said, adding "I plan to coordinate efforts and follow through."

Kalos added, "We will work together to get the job done." Rodden said OTIS and ARHS will combine forces for a benefit weekend early in April. "On April 7 and 8 we will jointly sponsor a movie marathon and a Casino Night for the benefit of the day care
