Singleton ready as IC4As near

By DAVE DUNLOP Collegian Sports Writer

It is perhaps more than just a coincidence that as the In-tercollegiate Amateur Athletic Association of America championships approach, hurdler Fred Singleton's performances get sharper.

Penn State's once-beaten 120-yard high hurdler broke 14 seconds two weeks ago at the Pitt Invitational Track Classic and came right back last week with his second best seasonal time in winning at the All-Pennsylvania Track Class and Open Invitational.

However, the well-muscled 6-2, 186-pound junior from Mt. Vernon, N.Y., disagrees. "I won at Georgetown the first week (of the season) in 14.4 seconds and won last week in 14.3," Singleton remarked. "That's not much of a difference.

team.

state record in the 120 highs with a timing of 13.8 seconds.

give 95 per cent. You don't actually hold back, but you're not psyched up all the time."

At this time of the season, Singleton said the performances start getting consistently better. "Everyone is in the mood." Looking ahead, Singleton, the younger brother of the Montreal Expos' Ken Singleton, says his stiffest competition in the IC4A 120 highs should come from William and Mary's Charles Dobson, the IC4A indoor 120 high hurdles champ, whom Singleton whipped at the Georgetown Relays, Andre Harris of Pitt and Penn's Harold Swab.

It's conceivable that come Saturday night, Fred Singleton has cruised through the 120-yard event and left in his wake a series of untouched hurdles and a group of beaten opponents.
