

Nebraska still 1, Lions remain 7

Nebraska remains the leader of the Dunkel College Football Index at 118.4 despite impressive victories last Saturday by leading contenders.

While the Cornhuskers were idle, Oklahoma defeated Baylor 42-14 to claim second place at 118.0.

Alabama vaulted to No. 3 by running over Cal 66-0 and Southern Cal settled into No. 4 after a 17-0 victory over Arkansas.

Penn State stayed No. 7 by stopping Stanford 20-6. Four Lion opponents now have found their way into the top 50: North Carolina State (9), West Virginia (27), Stanford (33) and Pitt (44).

Delaware defeated West Chester state 49-29 to remain

the small college leader at 83.7.

The teams dictate their own Index position each week by their performances. Here are major and minor leaders to date:

Henry brewing up a storm

ATLANTA (AP) — Henry Aaron resembles the eye of a hurricane.

There is a constant swirl of activity around him as the 39-year-old Atlanta Braves' star closes in on Babe Ruth's career home run record of 714.

But the man himself is so calm you wonder if he realizes what he's about to do — strike down the most revered baseball record in the game.

Autograph-seekers are everywhere. Broadcasters and writers press him for interviews. Photographers are constantly wanting one more shot.

The pressure on an

ordinary human would appear to be impossible to withstand. But, Hank Aaron is an extraordinary individual. His accomplishments prove it.

He was asked about pressure, especially the kind that might be on him this winter if he fails to break the

mark in the final 10 games this season.

"The same kind I'm under right now," Aaron said. "None."

He moved another notch nearer Monday night when he smacked No. 711 off San Diego's Gary Ross in the eighth inning of a 7-0 Atlanta victory.

"I still have a shot," I said. "Yep, it enhances my chances."

"I'd like to hit 714 this year but it doesn't bother me," he said. "If I can't, I feel next year should do it. I just do the best I can at all times whether I have 713 home runs or 730 or none. It's a job, have my job, and I go out and do it."

Aaron's latest home run came before a crowd of only 1,362 — a record low in Atlanta. Among those in attendance, however, was Baseball Commissioner Bowie Kuhn, who had announced that Aaron would throw out the first pitch at the 1973 World Series.

O'Connor cards 61

Yanks, British prep for Ryder Cup

MUIRFIELD, Scotland (AP) — The Americans and the British burned up the course here yesterday in their first formal practice for the Ryder Cup golf trophy.

Christy O'Connor, making a record 10th successive Ryder Cup appearance for the

British Isles at the age of 48, shot an incredible 61. That was 10 strokes under Muirfield's par 71 layout over 6,917 yards alongside the blustery Firth of Forth on Scotland's southeast coast.

Ireland's O'Connor would rather have saved his remarkable round for the three-day matches, beginning tomorrow when a team representing Great Britain and Ireland will try to wrest the Ryder Cup from the defending U.S. champions. Britain's legal bookies listed the Americans as 7-2 to keep the trophy which they have won 15 times out of 19 biennial contests.

The course record stands at 66, a score jointly held by Jack Nicklaus, Lee Trevino

and Johnny Miller. Miller didn't qualify for the 1973 Ryder Cup.

The U.S. non-playing captain, Jackie Burke Jr., spurred his 12 players around the links and said "These boys are all playing really well."

Trevino and Bill Casper, pairing in practice against Nicklaus and Arnold Palmer, wound up "approximately" five under par. That was around 66.

Fans crowding the sandy old links for the pre-match practice were looking for any signs of discord between Trevino and Nicklaus, but they seemed on the best of terms.

Trevino had criticized Nicklaus for failing to join a

charter plane that flew the U.S. team here from Washington, D.C.

Nicklaus, reportedly preferring to watch a football game in Miami, Fla., made his own way here, via London. He arrived late Monday night, 10 hours after his fellow players.

Nagle and Allen on 'TV QBs'

Linebacker Doug Allen and fullback Bob Nagle are Fran Fisher's guests on "TV Quarterbacks" tonight at 7 p.m. on channel 3. Receiver coach Booker Brooks will give a scouting report on Navy, which routed VMI 38-8 Saturday.

Lion notes

Future Penn State football schedules include games with Alabama, Auburn, Duke, Iowa, Miami, Nebraska, North Carolina State, Notre Dame, Stanford and TCU in addition to such traditional opponents as Army, Maryland, Navy, Pittsburgh, Syracuse and West Virginia.

Sloan beat but Vandy wins

NASHVILLE, Tenn. (AP) — Twenty-nine-year-old Steve Sloan, the country's youngest coach at a major college, says he was out-coached his first game ... even though his Vanderbilt

team nipped the University of Tennessee at Chattanooga 14-12.

"The boys did a great job of overcoming my coaching," Sloan said.

Sloan, a former Alabama quarterback, said Chattanooga used a split defense "just like Auburn plays."

"Coach Rex Dockery offensive coordinator told me

all week that they'd use that defense," Sloan said in his deep Southern accent, "but I didn't listen to him."

The result, he said, was that Vandy "had to change every blocking assignment in our offensive plays."

Sloan, a former assistant at Georgia Tech, Florida State and Alabama, wears headsets during games and calls the plays.

VOLUNTEERS WANTED

PENN STATE UNDERGRADUATES or FORMER UNDERGRADUATES over 21 years of age are being recruited to participate in an experiment involving conditioned relaxation and sleep. We are interested only in persons who sometimes experience difficulty in going to sleep because of tension or anxiety or who find it difficult to sleep when ambient conditions (noise-level, etc.) are less than perfect. The techniques to be employed are purely experimental, and no one should volunteer in the expectation of receiving therapeutic benefits. Subjects will be reimbursed for their time. The reason for recruiting persons with mild to moderate sleep difficulties is that such persons constitute the only appropriate population on which to test such techniques.

Those desiring further information should inquire at the Institute For Research, 257 South Pugh Street. Telephone inquiries will be answered WEDNESDAY and THURSDAY, September 19-20, from 9 a.m. to 4 p.m. at 238-8411. However, participants must appear in person to be scheduled and only a limited number will be recruited at this time. Scheduling will take place between the hours of 9 a.m. and 4 p.m. at the Institute For Research on WEDNESDAY and THURSDAY, September 19-20.
