

A fresh start at Iowa

It seems as if more than a year separates this football season from its predecessor.

A year ago the only thing Lion coach Joe Paterno had to complain about was the length of the grass at Beaver Stadium.

"It looks pretty when they let the grass get long, but if there's rain — and you know how short the cleats are — it's pretty tough. It's not fair to the kids to make them play on something like that. The grass should be cut the way it's supposed to be."

Paterno said that after annihilating his third straight opponent, Iowa, Stanford was first, 20-6. The score wasn't overwhelming, but Penn State clearly dominated.

Navy was crushed like a toy boat, 39-0. Then came Iowa. Frank Lauterbur was coaching the Hawkeyes at that time, a big rugged man, cursed with an unrealistically tough schedule. He didn't last the year.

But not only have the comparative scores been drastically different to date, it also seems the level of competition has completely reversed itself.

Last year Stanford, after falling before the Lions, went on to very nearly upset Southern Cal 26-27 later in the season. It doesn't look like history will repeat for Stanford, particularly after Illinois drubbed the Cards 41-7 Saturday.

Everyone knows about Navy's upsurge against Paterno U. last week. Now what will Iowa do?

Prior to last year's contest with Penn State, Iowa was steamrolled by Michigan and UCLA. But last weekend Iowa pulled an upset topped only by Navy's when it pulled the rug out from under UCLA.

A big reason must be the fresh system that new Iowa head coach Bob Comings has installed. Comings sounds like a winner.

"I don't want any short-haired freaks on my team," Comings responded on the subject of crew cuts. "How could I possibly be opposed to hair? The length of hair is not a criterion for measuring a young man's integrity. There is a common sense point. We all know what it is."

All this despite the fact that a hat is the only thing

covering the top of his head.
"I hope we can appeal to the intelligence of our football team and take it from there," Comings continued. "Just to go in like a wild man and make a lot of absurd rules... I don't think that's the way to do it."

"You won't see any stickers or stars on our hats. That's not playing the game honestly. I mean, we're playing the game to share values."

When Comings played his college football at Iowa from 1955 till 1957, he was the smallest lineman in the Big Ten at 173 pounds, and a junior guard on Iowa's Big Ten and Rose Bowl championship team of 1956.

In other words, he's used to battling things that are bigger than he, which helps considerably with the schedule Iowa plays.

It's the worst. Michigan, UCLA, Penn State and Southern Cal the first four weeks and Illinois and Ohio State later. Comings is nonplussed.

"A lot of young people are very romantic and adventurous, and some are crazy," was all he said about it. One improvement Comings wants to see is more out of state recruiting.

"When I was a player here we had some good athletes from out of state, but we could have never won without the Iowa kids," he said.

But as he once cracked to his former teammate Alex Karras, "We are looking for Greeks bearing gifts from Gary."

Pirates lose one, Phils win two

ST. LOUIS (AP) — Rookie Jim Dwyer's sacrifice fly capped a four-run St. Louis rally in the 11th inning and gave the Cardinals a wild 13-12 victory over the Pittsburgh Pirates last night that lifted the Cards back into first place in the National League East.

The victory gave St. Louis a one-half game edge over Pittsburgh in the tense race. St. Louis has six games remaining and the Pirates seven.

PHILADELPHIA (AP) — Larry Cox doubled home two runs to key a five-run second inning and the Philadelphia Phillies went on to defeat the New York Mets 6-3 for a sweep of their Wednesday two-night doubleheader.

The Phillies used a three-run pinch-hit home run by Tommy Hutton off Tom Seaver in the fifth to win the opener 5-2.

PITTSBURGH (AP) — Pittsburgh Pirate pitcher Jerry Reuss has challenged the club's policy of firing players whose wives accompany them on road trips.

Reuss, with the club in St. Louis, said he has been fined a total of \$600 for bringing his wife along on trips to Los Angeles, San Francisco and Houston.

After he was fined the third

time, he brought the situation to the attention of the Major League Players Association, which filed an official grievance against the Pirate management.

General Manager Joe L. Brown declined to comment on the situation Wednesday, noting that it was scheduled for arbitration in November.

BALTIMORE (AP) —

Tommy Davis capped a three-run Baltimore rally in the ninth inning with a two-out, two-run single to carry the Orioles past the Detroit Tigers 5-4 last night.

The victory kept the Orioles in first place in the American

League East Division race. Al Kaline, who received a congratulatory telephone call prior to the game from President Ford, singled for his 3,002nd career hit in the sixth and scored on a hit by Reggie Sanders.

They're off and writing, but in different directions this time as the Daily Collegian Sports initiates a new policy, bringing our readers live coverage of the top college football action across the country all season long. For the upcoming weekend Tim Panaccio heads for Pittsburgh where he'll be on hand at Pitt Stadium for Saturday's Pitt-USC game. Rick Starr will be heading westward for South Bend, Indiana, and a look at Notre Dame's first home pep rally Friday night. Then he'll continue on to Iowa City Saturday where the Iowa Hawkeyes host Penn State in a make or break game for the Nittany Lions. Make sure you catch their reports and all the weekend's college grid action Monday morning in the Daily Collegian Sports.

Yanks slide by Bosox

NEW YORK (AP) — Elliot Maddox's one-out single drove in the game's only run and gave the New York Yankees a 1-0, 10-inning decision over the Boston Red Sox last night.

The victory kept the Yankees half a game behind the front-running Baltimore

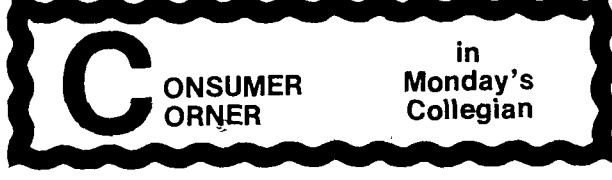

Orioles in the American League East. Baltimore beat the Detroit Tigers 5-4.

Doc Medich went the distance for his 19th victory against 14 defeats while Bill Lee, 17-14, took the loss. Each pitcher allowed seven hits.

Sandy Alomar led off the 10th with a walk and was

sacrificed to second by Fred Stanley. Alomar took third on an infield hit by Roy White and raced home on Maddox's single.

The Red Sox failed to score in the early going although they had their leadoff batter aboard with a hit four times in the first six innings

Artists Series offers Horne, Winter

Two Pennsylvania natives, Marilyn Horne and Paul Winter, are featured in Artists Series events this week and next.

Miss Horne, soprano star of the Metropolitan Opera, La Scala, Covent Garden, and the Chicago Lyric, will sing Saturday night, Sept. 28, at 8:30 p.m., at University Auditorium as the first performer in the 1974-75 Music Series. Her program includes a Handel aria from "Semele," another aria to be announced, and pieces from Henry Purcell, Schumann, Debussy, and Dvorak.

The Paul Winter Consort, co-sponsored by the Artists Series and the Penn State Jazz Club, will be here for a three-day visit, Thursday through Saturday, Oct. 3-5. They will present free workshops, a session of improvisation open to "anyone who plays

any instrument, no matter how well," an evening of Charles Ives music Oct. 5 at 8:30 p.m. in the HUB ballroom, and a more formal Artists Series concert Oct. 4 at 8:30 p.m. in Schwab Auditorium.

Winter's group uses more than 100 musical instruments from dozens of cultures in the performance of music that has elements of rock, jazz and classical music. This season, the Altoona native is using a combination of alto saxophone, keyboard, cello and "drums and things" for much of his music.

Tickets for the Horne concert or the entire Music Series will be available weekdays from 9 a.m. to 4 p.m. and Saturday from 10 a.m. to noon at University Auditorium and the HUB, or at the door one hour before the performance if not sold out beforehand.

Campus to host Danish gym team

The internationally acclaimed Danish Gym Team will appear Tuesday, Oct. 8, at 8 p.m. in the gymnasium of the Worthington Scranton Campus, under the sponsorship of the Art and Lecture Series at the Campus.

The performers on the team were selected from among the many skillful gymnasts Denmark produces. Their demonstrations include a variety of modern Danish gymnastics for woman and men and a selection of Danish folk dances, for which they wear colorful native costumes. Most of the program is accompanied by music.

Tickets for the performance may be reserved by contacting Richard N. Barshinger, assistant professor of mathematics and chairman of the Art and Lecture Series, at (717) 861-4784 or (717) 563-2295. A limited number of tickets will be available at the door on the evening of the performance.

Tickets for Paul Winter's Schwab Auditorium concert go on sale Oct. 1 in the HUB at the same hours. All other events in the Winter residency are either free or cost 50 cents at the door.

The Artists Series has announced that its 1974-75 Theatre/Dance Series is sold out. However, persons who wish to see Agnes De Mille's Heritage Dance Theatre, the Royal Shakespeare Company, "Don Juan in Hell" or the Martha Graham Dance Company may buy tickets to second performances; which are classed as Special Events. These tickets will go on sale shortly before each event.
