**Join the third biggest family in the world.**

Imagine an order of 22,000 priests and brothers in 73 countries around the world. (That's a pretty big family.) But that's what the Salesians of St. John Bosco are all about — a large family of community-minded men dedicated to the service of youth. (And no one gets lost.)

In the 1800's a chance meeting between a poor priest and a street urchin served to create a movement of such success that it is still growing today. Don Bosco became the priest who brought youth back from the streets — and back to God.

He reasoned that a program of play, learn and pray would make useful citizens of the world. He crowded out evil with reason, religion and kindness in a (what was then unheard of) atmosphere of family spirit.

The Salesians of St. John Bosco are still with us today. His work goes on in boys clubs, technical and academic schools, guidance centers, summer camps and missions. And his very human approach is very evident in the family spirit of the Salesians. This is the way he wanted it. This is the way it is. The Salesian experience isn't learned — it's lived!
