No, Penn State's Sharon Duffey (2) is not inventing a new dance on the lacrosse field. Rather, the sophomore is shooting for another goal against Cortland in Saturday's 16-1 romp.

## Linkswomen best Invite field

By LESLIE CALDWELL  
Collegian Sports Writer

The Penn State women's golf team retained its title as winner of the annual Lady Lion Spring Invitational, defeating squads from the University of Massachusetts and Western Michigan in play Friday and Saturday on the White Course.

Three Lady Lions won individual awards as Penn State golfed its way to an impressive 39-stroke win over second place UMass. The Lady Lion victory was made easier when Marshall and Mt. Holyoke, expected to be the strongest challengers to the women, were unable to bring full teams because of exams.

In first-round team com-

petition, Penn State's Blue team led with 346, followed by UMass, Western Michigan, and the Lady Lion White team. The team standings remained the same after Saturday's action, with Penn State's Blue team on top with a 697 total for both days.

In individual competition on Friday, Marshall's Nancy Bunton led the field with an 80. Bunton, who Penn State Coach Annette Thompson called "an excellent golfer," won the Midwestern AIAW golf championship for the past two years and took first place in the Marshall Invitational in April. On Saturday, however, Bunton carded a 91 and dropped to a fifth place finish.

UMass' Debby McCulloch, who was in second place after Friday's action, shot an 80 on Saturday to take first place honors in the tournament. Jan Van Munching of Mt. Holyoke, who was tied for third with Penn State's Judi Mitchell on Friday, took second place with a 163. Mitchell, was Penn State's highest finisher, taking third place.

In first flight action, Penn State's Hallie Bunk finished in the top position with a 102-92 for 193. Bunk also won the award for low putts with an 18-hole total of 29. UMass' Meg Groden was runner-up in the first flight with a two-day total of 202.

Other awards went to Penn

State's Renie Kelleher for her closest to the pin shot on the 159-yard sixth hole, and to Debby McCulloch for longest drive — a 253-yarder on number nine.

The weather was certainly a factor, as chilly temperatures and strong winds kept scores higher than had been expected. According to Thompson, Penn State's location and weather create a built-in scheduling problem. Cool spring temperatures in Happy Valley force the Lady Lions to schedule events late in the spring, when many schools have already begun giving final exams.

The fact that Penn State is located far from most schools with good golf programs also makes scheduling difficult. According to Thompson, "The Big 10 schools have such good competition so close to them that they are unwilling to make the long trip here."

## Smash Cortland, 16-1 LaXwomen keep rolling

By BARB PARMER  
Assistant Sports Editor

The Penn State women's lacrosse team continued to devastate its opposition Saturday, scoring 16 goals and holding the visitors to one tally en route to victory number seven in a row.

Cortland became the latest victim of the Lady Lions in a contest that might be viewed as a letdown after Penn State's exciting 8-7 win over East Stroudsburg last Thursday and Tuesday's 11-3 win against Lock Haven.

Second home Sharon Duffey set the Penn State scoring machinery into motion just one minute after the opening draw as she came from behind the net to dump the ball past Cortland goalie Lynn Hambel.

The Lady Lions increased their lead to 3-0 before Cortland hit for its only score of the afternoon. Right attack wing Kathy Vangeli took advantage of a foul deep in the Penn State zone to douse freshman goalie Jody Field's hopes for a

shutout.

In spite of some problems with inaccurate passes and several shots wide of the goal cage, the Penn Staters built a comfortable 7-1 halftime lead.

"It's very easy to drop to somebody else's pace and I think we dropped a little to their pace in the first half," Penn State coach Gillian Rattray said.

Penn State continued to pressure Cortland's defense in the second half, netting nine goals in 25 minutes. Duffey led all scorers with six tallies, giving the sophomore 35 goals in seven contests. She needs three more point makers in the final game against Ursinus to tie her scoring record of 38 goals set last year (over 10 games).

Third home Chris Larson found the net four times against Cortland, her season high following last week's hat trick against East Stroudsburg. Larson also picked up two more assists to remain on

top in that category.

Left attack wing Charlene Morett, consistently adding to Penn State's coring punch all season, picked up four more goals Saturday. Center Becca Garwood netted two tallies in the lategoing to give the women the 16-1 win.

The Lady Lions dominated on offense, outshooting Cortland, 47-9.

"We're really capable of cutting better than we did today," Cortland coach Sue Willis said after the game. "And catching — we couldn't even catch it today."

"We're finally playing together," Larson said. "Starting with the Lock Haven game, we've been really playing together well."

In jayvee action, Penn State rolled up an impressive win to move its record to 6-1.

The Lady Lions face Ursinus in the final regular season action of the year Thursday on Pollock Field.

## Lion netters win season finale

By JACK PATON  
Collegian Sports Writer

The Penn State men's tennis team concluded its regular season Saturday at Colgate, beating one of the east's top teams, 6-3, for its 11th win in a row.

The win gave the netters a 13-3 record for the year and a good dose of momentum and confidence going into the Easterns at month's end.

Coach Holmes Cathrall had warned throughout the winning streak that the toughest match still lay ahead at Colgate, and Saturday's match did nothing to dispel that notion. The teams split the singles matches, and all three doubles matches went to three sets before the Lions could put the Red Raiders away.

"I had no idea which way that thing was going to go," said Cathrall. "We had already lost the first set of a doubles match before the singles matches (taking place at the same time) had been decided."

Cathrall was referring to Alex Davidson and Jim Howell losing their first set while Miguel Maurtua, on top court, was struggling to put Rich Finn away, 7-6, 4-6, 7-5. Maurtua's win tied the match and Davidson-Howell rallied to defeat Bruce Horowitz and Steve Gallagher, 2-6, 6-1, 6-4.

The Lions still needed another doubles win to clinch the match and they got two for good measure. Maurtua and Jim Ellis dumped Pete Ogilvy and Bill Danzell, 7-5, 5-7, 6-1, and

Mark Darby and Randy Whiteside beat Finn and Dave Dubin, 6-3, 3-6, 6-4.

"We knew what we were up against," Cathrall said. "They were something like 17-4, they were playing at home, and we were on hard courts there while we're used to clay. It was a good win."

The Lions (13-3) got singles wins from their top two courts, as Ellis got past Dubin, 6-3, 3-6, 7-5, and from fifth court Davidson, who beat Horowitz, 7-5, 6-2.

Singles defeats came at third court (Darby lost to Danzell, 6-0, 6-2), and sixth court (where Whiteside was beaten by Gallagher, 6-2, 6-2).

The team will now get a well-deserved rest for the beginning of this week, but will be back to the grind before week's end.

"I don't want to get stale waiting for the Easterns," Cathrall pointed out. "After a few days off, we'll be back to work on the different phases of our game. Also, we want to get some work in on hard courts for when we go to Rochester (site of the Easterns)."

NET NOTES: Final season records for the Lions: Maurtua, 12-4; Ellis, 12-4; Darby, 11-5; Davidson, 13-3; Valdivieso, 12-2; Whiteside, 11-3; Maurtua-Ellis, 13-2; Darby-Whiteside, 12-4; Davidson-Howell, 10-2. . . . Easterns will be held May 29-31.

## No OSU title this year for softballers

This time last year, the Lady Lion softballers were riding high after capturing the championship title at the Ohio State Invitational Tournament. This year, they're not.

Perhaps the writing was on the wall when the Penn State women first took the field on Friday against the host team. The Lady Lions quickly grabbed a 5-1 lead in the tournament opener, but Ohio State, with seven tallies in the third and fourth innings, forced the exit of starter Joan Frailey, the last of those seven, and the eventual game winner, crossed the plate when reliever Kathy

Frame uncorked a bases-loaded wild pitch. The final was 8-7.

Hoping to improve their seeding for Saturday's elimination round, the Lady Lions jumped to a first inning 2-0 lead over Ohio University later on Friday.

Starter Kathy Frame made that pair hold up against the tournament favorites until the fifth, when Ohio U. put together three singles, a walk, a passed ball, and a sacrifice fly for the three runs which finished the Penn Staters.

The two one-run losses meant that the Lady Lions would begin their Saturday

drive for the championship against Indiana's Ball State. It would now take three consecutive triumphs for Penn State to reclaim their title. They got none.

The 7-1 defeat against Ball State spelled the end of tournament competition for the Lady Lions and dropped their season's mark to 2-8. The softballers close their 1976 campaign with a home contest Thursday against Ursinus. Michigan State downed Ohio U. for the championship.
