

# Nadia records seventh 10.00

MONTREAL (AP) — Nadia Comaneci, Romania's "Little Miss Perfection" turned in two more perfect performances for two more gymnastic gold medals yesterday and East German swimmer Kornelia Ender won her third and fourth gold medals within 25 minutes in an action filled evening at the Summer Olympics.

Russia's Nellie Kim also posted a 10-point performance and won two gold medals in the final women's gymnastics competition.

Olga Korbut, the darling of the 1972 Munich Games, won only one individual medal — a silver in the balance beam. But she got the warmest ovation of the night from the overflow crowd of more than 16,000 at The Forum.

Miss Comaneci's performance capped a week in which she emerged as an athletic and television superstar. She won three gold medals, took a silver medal in the team event and a bronze. She also won the attention and admiration of the world as Olga had done before.

Nadia's routine on the uneven bars, which brought her fourth perfect mark, was the highlight of the evening. As she whipped her slim body from one wooden bar to the next like a rubber band, anticipation of the crowd grew as she moved toward her dramatic back somersault dismount known as the "Salto Comaneci."

When she soared backward off the high bar into the dismount, flashbulbs popped like firecrackers from the stands of the arena. The landing was flawless and Miss Comaneci had her gold with a 20.0 total score.

The final result for individual events was arrived at by averaging her score in the event in the compulsory and the optional and adding yesterday's total.

Teodora Ungureanu, Nadia's 15-year-old teammate, took the silver with a 9.9 routine and a 19.8 total. Marta Egervari of Hungary was third with 19.775.

Miss Comaneci's routine on the beam combined her technical expertise with her usual showmanship. She played to the crowd, her somersaults and flips were perfect and her twisting reverse dismount was on the money.

It was another 10, the third she has had on the hazardous balance beam.

Miss Comaneci's winning total in the event was 19.95 points. Miss Korbut, an Olympic has been at 21, received 19.725 points and Miss Ungureanu was third with 19.7.

Miss Kim, a late-bloomer from the Central Asian city of

Chimkent, has had two perfect marks this week. Her second one was last night.

Miss Kim's point total was 19.850. Russia's Ludmila Tourischeva took the silver medal with 1.825 and Miss Comaneci, whose score of 9.95 received scattered boos from the crowd looking for yet another 10, won the bronze with 19.75.

Miss Comaneci, who has devoted half her 14 years to becoming the world's foremost women's gymnast, received perfect 10-point ratings from the judges on the uneven bars and the balance beam. That boosted her total of perfect scores to seven for the week.

Before Nadia, no gymnast ever had been awarded a perfect score in the Olympics.

Brian Goodell of Mission Viejo, Calif., won the men's 400-meter freestyle swimming gold medal in world-record time and the American men's team won its ninth gold out of nine events by taking the 400 medley relay in another world record clocking.

Thus the big stories of these Olympics continued to be the 14-year-old Romanian, the American men swimmers and the East German women swimmers. Great Britain won the modern pentathlon team gold medal and Poland's Janusz Pyciak-Peciak took the individual pentathlon gold. Russia became the first country in 24 years to sweep all three medals in Olympic sabre fencing. Gregor Braun of West Germany won the individual 4,000-meter pursuit cycling crown.

In more of the off-the-field problems that have beset these Games, the Russian team faced accusations of a fix attempt in diving yesterday and was briefly threatened with disciplinary

action after forfeiting a water polo game and threatening to pull out of the sport.

Tom Gompf, the U.S. diving team manager, told The Associated Press that Soviet officials had approached him in an attempt to fix the springboard diving event by trading votes of judges. Gompf denied later that the Russians had suggested a fix, but The AP stuck by its original report and said it had on Gompf's request, withheld the name of the Soviet official involved.

In the water polo flap, the Russians forfeited a game to Cuba. Dr. Harold Henning, president of the swimming federation said the Soviets were withdrawing apparently because they decided they could not finish in the top six.

The federation met with Soviet officials, the Russians promised to play the rest of their scheduled games, and the federation dropped threatened disciplinary action against them.

Sue Rojewicz of Southern Connecticut State triggered a 14-point burst in the second half that carried the United States to an 89-75 women's Olympic basketball victory over Canada.

It gave the Americans a 2-1 record in the six-team round-robin tournament and enhanced their chances of winning a medal. Canada is 0-3.

Track and field events, including a final in the women's long jump, begin today as ABC-TV's coverage of the Summer Olympic Games continues.

The network will present 1 1/2 hours of coverage, from 8 to 9:30 p.m. EDT, and a 15-minute telecast during halftime from the College All-Star football game. Exact Olympic events to be televised won't be known until shortly before air time because much of the network's programming is live.

Top events on schedule include the women's long jump final, where American record-holder Kathy MacMillan has a chance for a medal; heats in the 100-meter dash, where Valery Borzov of the Soviet Union is attempting to become the first man to win consecutive Olympic titles in this premier race, and the 800-meter run, where Rick Wohlhuter of the United States is one of the favorites.

The second day of dressage precision riding will be held at the Bromont equestrian site, with Princess Ann of Great Britain drawing much of the attention. Elsewhere, the Russians and Japanese will continue their spectacular work in men's gymnastics and the U.S. boxers and basketball squad are expected to be in action.

## Phils threaten breakaway, shutout Bucs on 7 hits

PHILADELPHIA (AP) — Jay Johnstone's two-run double keyed a three-run first inning and the Philadelphia Phillies went on to beat the Pittsburgh Pirates 3-0 last night and boost their lead in the National League East to 11 games.

Philadelphia left-hander Tom Underwood checked the Pirates on seven hits before leaving in the ninth inning in favor of Ron Reed. Bruce Kison, 7-6, took the loss.

He gave up only three hits after the four-hit first inning and left for a pinch-hitter in the eighth.

Larry Bowa dropped a broken-bat single into left with one out in the first. As Mike Schmidt struck out, Bowa stole second and then scored on Greg Luzinski's single. Dick Allen singled Luzinski to second and Johnstone doubled home both runners for a 3-0 lead.
