TREAT YOUR EARS TO A MARANTZ 2270.

The Marantz Model 2270 AM/FM Stereo Receiver is unmatched for superb FM, clean power, and sophisticated control. With utter reliability, it offers 140 Watts continuous RMS into 8 ohm speakers from 20 Hz to 20 kHz with under 0.3% THD and IM distortion and ±0.25 dB frequency response! The professional preamp control section includes: stepped, 3-zone tone controls for BASS, MID, TREBLE; provisions for 3 tape decks, phones, 4-channel adaptors, etc.; and precision control over virtually every audio variable!

Behind the Model 2270's gold-anodized front panel are: Ultra low noise, low distortion FET, RF and IF circuitry; massive heat sinks; direct-coupled output circuitry; and automatic protection for internal circuitry and associated speakers — to give you years of trouble-free service!
