What college women are being pinned with.

Lieutenant Colonel 1st Lieutenant
Brigadier General Major
2nd Lieutenant Captain

As a woman ROTC student, you'll compete for your commission on the same footing as the men in your class. There are 2-year, 3-year, and 4-year scholarship programs available. A young woman enrolled in the AFROTC 4-year program is also qualified to compete for an AFROTC college scholarship which will cover the remaining 2 or 3 years she has as a cadet. Tuition is covered...all fees paid...textbook costs reimbursed...plus \$100 a month allowance, tax-free. A woman's place is definitely in the Air Force and our pinning ceremony will be the highlight of her college experience.

Put it all together in Air Force ROTC.
