

Who, what, when, where, of student organizations

Editor's note: Yesterday, the Collegian ran the first half of a list of student organizations, running the gamut from the African Student Organization to the Industrial Arts Society.

Today, the second half of the alphabet. Included are telephone numbers for more information on the organizations, the adviser or president of the clubs, a brief explanation of the organizations and the times, dates and places of the clubs' first meetings.

Unfortunately, some organizations could not be contacted before press time. If your organization is among those that didn't make it, please come in to the Collegian office by 4 p.m. Thursday with the information published below.
