

## Parade to detour traffic pattern

The Alpha Fire Co. will top-off their week-long carnival activities with the annual Fireman's Parade beginning 5:30 p.m. tomorrow.

Special traffic regulations will be in effect. Traffic entering the borough on Rt. 26 from the Bellefonte-Pleasant Gap area at 5:30 p.m. will be detoured around the parade via University Drive, north to Park Avenue and south on N. Atherton Street at Park Avenue to E. College. Detour signs and arrows will be erected to assist traffic. Traffic cones also will be placed on E. College Avenue in the Duck Pond area to channel westbound traffic into a single lane.

Police have asked motorists not to park in the junior high school lot since parade units will disband there.

The parade will form at 5:30 p.m. in parking lot 80 and travel south on Bigler Road to Pollock Road and west on

Pollock to Shortlidge Road, south on Shortlidge to E. College Avenue. It then will be joined by marching units staged on E. College Avenue at Garner Street and continue west on E. College Avenue to S. Allen Street and south on South Allen to S. Atherton Street, crossing South Atherton. The parade will proceed west on Waupelani Drive past the judges' stand at the carnival site and disband on O'Bryan Lane.

Parking will be prohibited from 4 p.m. on the north side of E. College Avenue as far as S. Allen Street. Metered parking also will not be permitted on both sides of S. Allen Street. Parking is forbidden on both sides of the 1100 and 1200 blocks of South Allen Street in addition to both sides of Waupelani Drive. S. Allen Street at South Hills Avenue and Waupelani Drive at Southgate Drive will be closed to thru traffic at parade time.
