VOTE — REMEMBER TO VOTE — REMEMBER TO VOTE — REMEMBER TO VOTE — REMEMBER TO VOTE

GIVE A DAMN!

GO VOTE

What positions will be filled?

- Mayor of State College
- Borough Council of State College
- School Director - State College Area School District
- District Attorney - Centre County
- Judge - Pennsylvania Supreme Court

Just because you are not getting a chance to vote for a president, governor, or senator doesn't mean you shouldn't visit the polls today.

The candidates of local office seekers may not draw headlines but the decisions they make certainly influence our lives. Probably more so than their federal and state counterparts.

Downtown parking, levying taxes, and law enforcement and administration are just a few of the problems our local and county officials deal with.

It is essential for you, the student, to vote today. Our interests will not be adequately represented if we fail to exercise our right to vote.

A few minutes of your time will help decide who will be governing our lives for the next four years. Don't let someone else decide for you. Take a five minute break from studying or partying and go vote. It could be the most significant thing you do all year.

Any questions or problems call the USG — Dept. of Political Affairs. 863-0245

The Polls are Open Between 7:00 AM and 8:00 PM
