1. (30pts) How did Nixon's craving for pinball affect Italy's GNP in 1972?  
Think, think... um... How does it get out of this one?

Dear Professor, I think it's about time I told you my feelings for your daughter. I realize she's ugly and has bad breath, but I think she'll make someone a good wife some day.

I've invited her to come see the company my dad and I own back home. You're invited too.  
Sincerely,  
Rod Todd
