Who are you, telling us how to run our business?

It takes a lot of confidence to come fresh out of school and begin telling us how to do things.

On the other hand, it takes an unusual company to provide the kind of environment where that can happen, but that is exactly the environment you'll find at Scott Paper.

We constantly search for people who have the ability to respond to challenge and think for themselves, those with the initiative and desire to seek alternatives, the skill and courage to convince others that there are better ways and who aren't afraid to express their ideas.

At Scott, we admire an aggressive stance because we are an aggressive company. You can make your own opportunities with us... and we'll prove it.

Contact your placement office for information.
