**How Much Can You Stand?**  
Come to the first annual  
**AWFUL NIGHT**  
and see ...

We have booked some of the worst films in cinema history in our quest to provide the utmost challenge for our audience. Films with great stars like Boris Karloff and Jack Nicholson. Films with so-so stars like Victor Jory and Sonny Tufts. We challenge any of you to sit through all 4 hours of our selections. And to prove it, we are prepared to put our money where our mouths are. **We will let everyone in for free, but you will have to pay to leave!** It works this way: Price of escape is \$1.00 until 8 P.M. After that the cost of freedom will drop five cents for every 15 minutes that you stay until the price reaches 25 cents. So, if you can tough it out to the end, you pay a mere two bits! **REMEMBER: the longer you stay the less you pay!**

Come on—you owe it to yourself to see how much you can stand. And also remember, you must pay to leave for any reason.
