

We are Penn State . . .

Clockwise from upper left:
A group of Acacia fraternity brothers work to prepare a float for Homecoming parade; Matt Suhey and his teammates look for daylight . . . maybe in Miami, too; Todd Hammers, 7th-finance, of Acacia, lays the framework for what he hopes will be the winning float in tonight's Homecoming parade; Maple leaves frame Old Main in one of Penn State's finest spectacles — Autumn; Undaunted by rain, these hardy fans keep up the football spirit at Penn State.
