UNIVERSITY CONCERT COMMITTEE UNIVERSITY CONCERT COMMITTEE UNIVERSITY

The University Concert Committee is constantly in jeopardy of losing the privilege of using Eisenhower Auditorium unless our audiences observe all regulations established for the use of Eisenhower Auditorium. The most flagrant violations by our audiences are smoking and alcohol use.

Eisenhower Auditorium is an exceptionally fine facility, respected by every audience that attends any other organizations' programs. It is therefore within reason that the Concert Committee should lose its privileges if our audiences cannot observe the established regulations necessary to maintain Eisenhower Auditorium as one of the finest auditoriums in the state of Pennsylvania.

We ask your full cooperation so that we may continue a concert program.

Thank You,
The Concert Committee
