# REGISTRATION INSTRUCTIONS

## I. PREREGISTERED STUDENTS

PREREGISTERED DEGREE STUDENTS have the option of registering during the EARLY REGISTRATION held in 112 Shields Building on February 21-27, 1979, *any time* between 8:30 A.M. to 4:30 P.M.; *or* during the REGULAR REGISTRATION held in the Intramural Building on Tuesday and Wednesday, March 6, 7, 1979 at the time shown on the Advance Class Schedule (Pink Slip). Early registrants must be willing to accept the preregistration schedule as shown on the pink slip, and are not eligible to make schedule changes at the Intramural Building.

Students who preregistered may obtain their Advance Class Assignment schedules in their College Dean's office during the 10th week of this term.

If you do not register early, you are expected to register at the Intramural Building at exactly the time shown on the Advance Class Schedule, regardless of a change of major, incomplete schedule, or change of name. If you changed majors and your Advance Class Assignment schedule is not available at your new college, check for the schedule at your former college. Students who fail to report to registration at their assigned time are subject to the payment of a $10.00 late registration fee, and will forfeit any preassigned courses that they may have acquired through preregistration. Late registrants must follow instructions as given in Section III.

## II. NON-PREREGISTERED STUDENTS

NON-PREREGISTERED DEGREE STUDENTS cannot register early and must register at the Intramural Building on either Tuesday or Wednesday, March 6 or 7, 1979. Non-preregistered students will determine their registration time by matching the first three letters of their last name with the letters at the right side of the appropriate schedule below. The time to register is shown on the left of the letters.

If your student status is one of the following, you will register according to the Degree Student Time Schedule.

New Freshman
Non-preregistered continuing undergraduate student
Undergraduate Readmit
Undergraduate Admit with advanced standing (transfer from another institution)
Non-preregistered continuing graduate student
