

# The Other Side of State College

How well do you know State College? Chances are you're familiar with the downtown area, but have you ever been to the other side of town? The friendly merchants along North Atherton invite you to come out and explore the "Other Side of State College" to see what you've been missing.

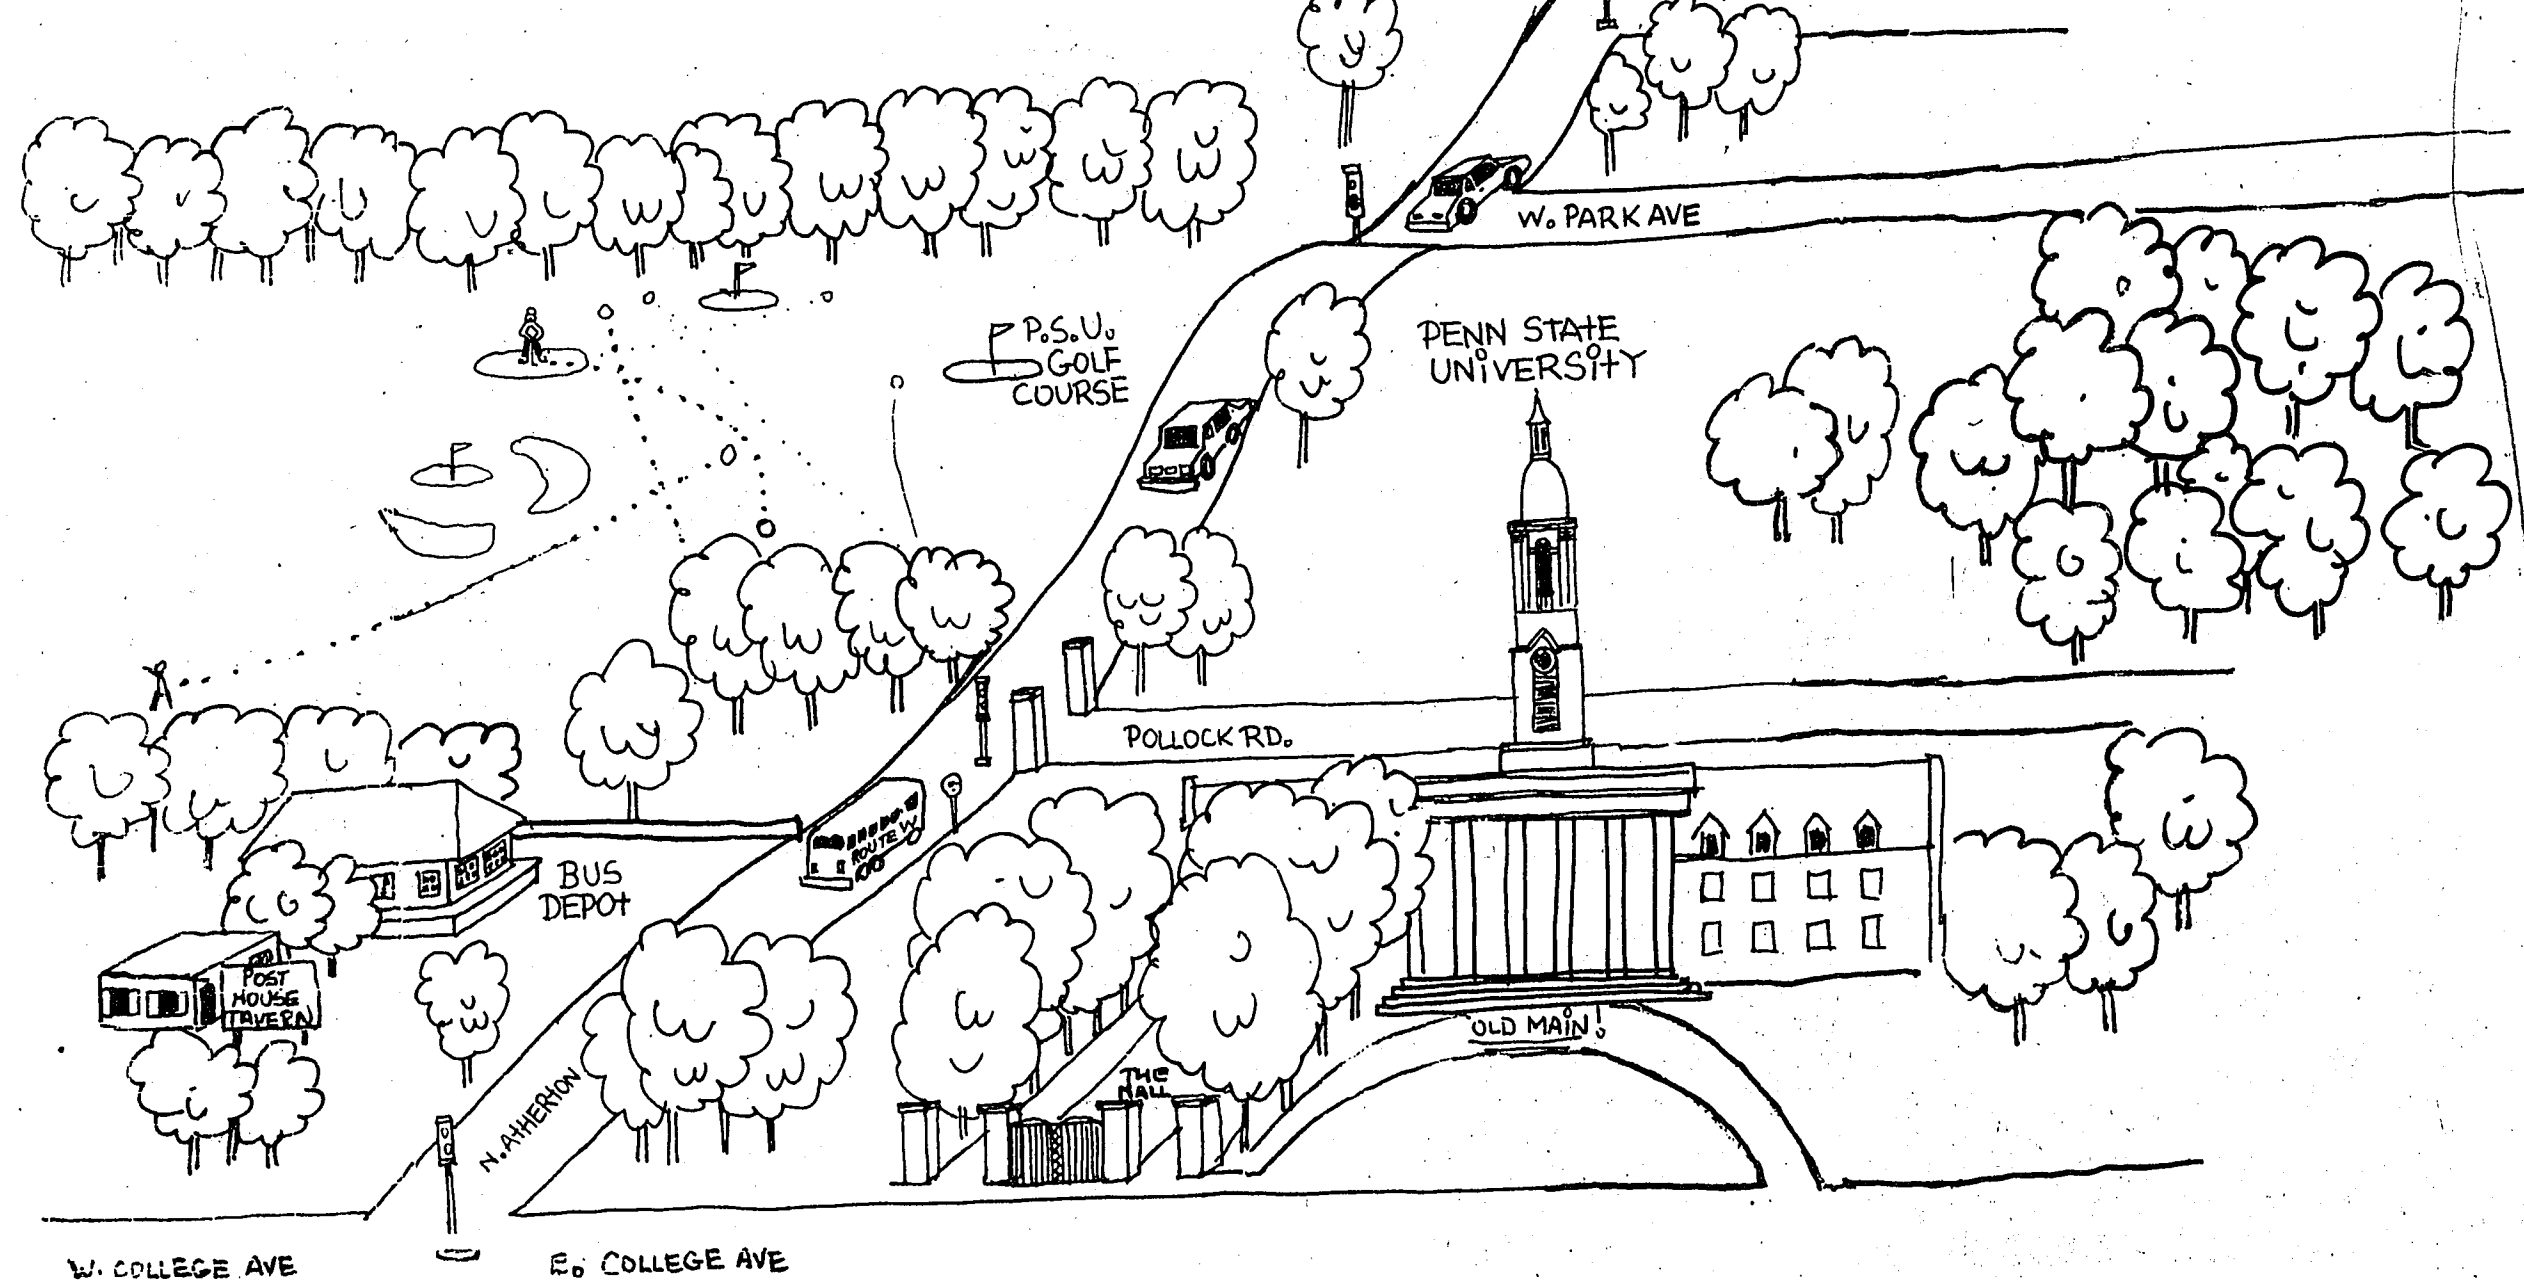

Just one look at this map and you'll see the enormous variety of services that are offered. There are all types of shops which include everything from cabinet makers to donut bakers. They're all there, waiting to serve you.

And it's all so close and convenient. A short five minute ride on a route W or ES bus takes you to the doorstep of many of the stores. If you choose to drive, there's plenty of free "store front" parking available for your convenience.

Use this handy take-along map as your guide to discovery. Come visit the friendly merchants on "The Other Side of State College" and see what you've been missing.
