escorted by a resident and are signed.

administration) works with the assistant coordinator in selecting and supervising night receptionists in that residence hall area. Zelezen said she feels the program hasn't been 100 percent perfect."I

know there is a question of how much they should do. If there is somebody who is going to break in, there is no way to stop them." However she said the night receptionist program has been successful in giving a sense of

security to residents.

Ann Geitner (3rd-architecture) said one evening no receptionist showed up at her dorm in South Halls after midnight. Geitner's resident assistant could not find any replacement for the receptionist, so Geitner and two other girls volunteered to act as night receptionists for that evening. She said she and the two other girls were briefed thoroughly as to what the responsibilities of the job

to be on duty that evening arrived at about 2 that morning and gave the girls the impression that he was willing to take over the job from that point on, and wanted to be paid. Geitner said. Geitner and the two other girls told the receptionist that
