By SHARON FINK **Daily Collegian Sports Writer** A tie is a tie, right? Well, it all depends on how you look at it. On the surface, it appears the field Ohio State at the Ohio State Invitational, is nothing to be alarmed about. It may not be a win, but it's not a loss.

And after beating Indiana, 4-0, in their first tournament game on Satur- game, made five of them in the first day, the Lady Lions are still undefeated, with a record of 10-0-2. They're also still the top-ranked team in the country. But you have to look beyond that.

Although the Lady Lions dominated most of the game, they started slowly in the first 15 minutes before really coming on, taking 13 shots on goal to the Buckeyes' nine. But Penn State had a rather off day — it just couldn't seem to find the goal more than once "We did everything but put it in," Rattray said. "We were missing by inches. And sometimes we weren't as sympathetic as we should have been on that (artificial) surface." Even though the Lady Lions had

prepared themselves for the artificial surface of Ohio Stadium by practicing on the football Astroturf practice field twice last week, it seems Ohio State has a different kind of artificial surface — Superturf. Rattray said that surface presented some difficulties because it plays much faster than Astroturf, and while In other games over the weekend,

And the tie should be a spark for the Lady Lions, a team that, until the eekend, had been held to only one goal three previous times, while averaging four goals a game and holding opponents to 0.27. "It will make us have to work
