Trackwomen place well at Rutgers

In track, it's good to mix up the tough meets with the not-sotough ones. It's good preventive medicine to ensure that athletes won't suffer physical and mental burnouts. Last weekend, the women's track team ran up against some stiff competition at the Dogwood Relays in Knoxville, Tenn. On Friday and Saturday at the Rutgers Invitational, however, the field was not as high-key as the week before.

Penn State co-captain Peggy Cleary, who captured top honors at Rutgers in the 10,000 meters and qualified for nationals with her time of 34:39.02, favors the smorgasbord of high- and low-key meets. "Even though (the Rutgers Invitational) wasn't a high-
