

Towering tulips Aay has not yet arrived, these tulips are in full bloom in front of Ritenour Health Center. April r have already brought enough showers to encourage the springing up of these blossoms.

Product helps women fight rape

By SUZANNE M. CASSIDY Daily Collegian Staff Writer

Even Happy Valley is not immune to believe that it is not necessary to protect the Harrisburg area which he said he the tragedy of rape, and many female themselves against the possibility of at- considers to be a risk area. University students are looking for a way tack. to defend themselves against this violent "Chem-Shield has not been a high added security," he said. "Our society is crime.

Chem-Shield, a product manufactured here think Happy Valley is a fantasy- some protection. I'd recommend it for a by a company that calls itself "We Care land," he said. "But crime is here — and guy for that matter — one never knows." America," is a chemical spray that can it takes place during the daytime and the Nadine Baba (7th-administration of be carried at all times by women to nighttime." protect themselves in case a threatening The legality of spray repellents like some protection. I'd definitely use it if I situation should arise.

Mike Berger (12th-nutrition science), a nities, but State College Police Officer Clouser said that the effectiveness of local distributor for Chem-Shield, says Brian Clouser, crime prevention special- spray repellents depends on variables this product is not mace but a non-lethal ist, said Chem-Shield is legal in this like the wind conditions and the ability of chemical repellent that can be sprayed municipality. on an assailant to induce temporary Other municipalities in Pennsylvania lent accurately under pressure. blindness, tremendous pain, a feeling of recognize its legality, but some have He also warned against the possibility suffocation, dizziness and nausea. passed ordinances regarding the usage of the attacker taking the repellent from Berger said the spray is most effective and carrying of this product as a self-victims and using it to weaken their when it is directed at the facial area defense weapon. because it can strongly irritate the eyes Clouser said the State College police Berger said he recognized this possibiland the mucous membranes of the at- neither recommend nor discourage the ity, but added that unlike other objects

tacker to produce an immediate feeling carrying of chemical spray repellents, that victims may try to employ as selfof choking. The Chem-Shield spray comes in a them as a sole means of self-protection. but he warns against dependence on defense weapons, Chem-Shield could do no permanent damage to the victim. of choking. small case that is attached to a key chain "The biggest danger in relying too" "There are experts and self-defense for convenient carrying, Berger said. heavily on a product such as this is that it classes that tell you not to carry anything "The idea is that you always have your may give you a false sense of security," that could be used against you, but with keys with you, so you'll always have he said. Chem-Shield with you," he said. "It's not Several students who have purchased any damage done to you is only tempolike you have to fumble in your pocket- Chem-Shield agreed that it can not be rary," Berger said. book for something - you can just keep it regarded as an absolute solution. in your hand in case a threatening situa- "Especially on campus, I'm often out come off of you and affect the attacker so tion comes up."

Berger said that the reason he decided little more security - not that it makes wouldn't be able to carry through with

to sell Chem-Shield was because many me perfectly safe," said Heidi Smith it," he said. "If you try to use something University students are convinced that (12th-earth science). like a nail file to defend yourself, the State College does not have a crime Perry Stambaugh (9th-broadcast jour- damage could be permanent," he said. p.m.; or by appointment clue is JV1018.K5 Live like the Dickens at a price even Scrooge would love.

Even Scrooge would be impressed with the value offered at Logan House. So many amenities for so little cost. All utilities are included, even cable T.V. - no surprises at the end of the month. That's the Scrooge part. The Dickens end of it, the features. For example, all apartments are completely furnished. The walls are solid, which means you can study while the neighbor enjoys his new quad system. Or vice versa. Then the "extras." A free membership in Parkway's Swim Club, and we even provide passes on all

Centre Line buses. We also offer 12 month leases. Our rents are sure to impress the Scrooge in you. But you'll be living like the "Dickens" with Logan House's abundant amenities. Logan
