

Is this goodbye?

We'll keep you in touch with Penn State, one weekly at a time.

When the last final is completed, are you simply going to pack up and leave? When late night bull sessions, discovering your finals have been scheduled on the first two exam days and mid-afternoon soft pretzels from the H.U.B. turn into fond Penn State memories, will you allow them to merely fade away?

You've invested the most exciting learning years of your life here. And now you can remember them with a subscription to *The Weekly Collegian*.

The Weekly is the best of *The Daily Collegian* each week. It is designed for anyone who wants to stay close to Penn State, but can't get copies of *The Daily Collegian*. That includes Penn State graduates, Commonwealth campus students, friends and relatives.

To better serve you, we have obtained a second-class mailing permit — which means you'll get first-class mail delivery — which also means the news arrives fresh.

Subscribing is easy. All you have to do is clip and mail the coupon below, enclose your check or money order now (or bring it directly to us at 126 Carnegie Building), and we'll send you 36 issues a year of *The Weekly Collegian* directly to your mailbox. Anywhere in the country.

And instead of saying so long, we'll see you next week.

Please enclose \$12 for 1 year.
