## Committee to consider requests

The University Board of Trustees Committee on Finance will be considering requests for 1982-83 appropriations for operations at the Trustees' meeting today and tomorrow.

The committee, meeting at 10 tomorrow morning, will also be discussing the proposed extension of the University Park airport land lease. It will decide whether to renew the 3-year lease which is due to expire this year.

Summaries of new scholarships, loan funds, awards and prizes offered by the University as well as gifts received by the University will also be presented at tomorrow's meeting.

Two other committees, the committee on University educational policy and the committee on physical plant, will also be presenting reports to the Trustees.

The committee on educational policy will be discussing an informational report on Fall Term 1981 preliminary enrollments and admissions during its meeting at 3 this afternoon. Vice President for Administrative Services Richard E. Grubb will be presenting a report on fund raising activities planned for the 1981-1982 academic school year.

The committee on physical plant will meet at 9 tomorrow morning to discuss the proposed site for the National Public Radio transmission towers, located on Farm 106 in Rock Springs.

An informal report by the chairman of the Trustee Presidential Selection Committee Quentin Wood will also be presented to the Trustees at 11 tomorrow morning.

"It's a lot easier with a Texas Instruments calculator designed to solve business problems."

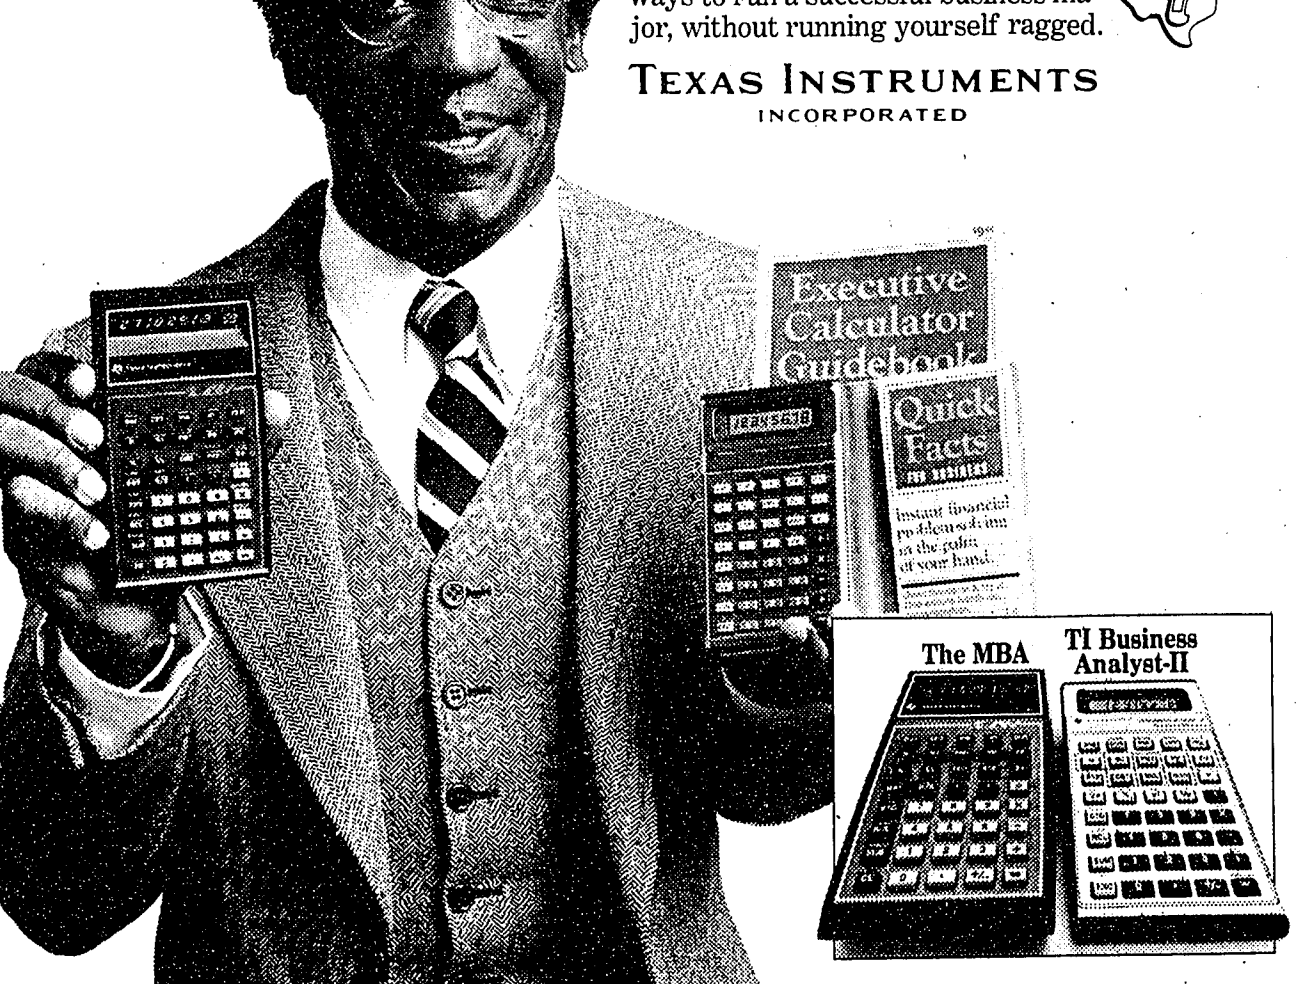

Touch a few special keys on these Texas Instruments calculators, the TI Business Analyst-II and The MBA, and lengthy time-value-of-money problems suddenly aren't lengthy anymore. You can automatically calculate profit margins, forecast

sales and earnings and perform statistics. And problems with repetitive calculations are a piece of cake for the MBA, because it's programmable.

These calculators mean business, and what they give you is time—time to grasp underlying business concepts, while they handle the number crunching. To make it even easier, each calculator comes with a book written especially for it, which shows you how to make use of the calculator's full potential.

# Lady Lions open field hockey campaign

**By MARIA MARTINO**  
Daily Collegian Sports Writer

When the women's field hockey team opens its 1981 season today, it will have a very hard act to follow.

Last year was definitely a banner year for the Lady Lions, who finished with a 22-0 record and won the national championship. But when the 1980 champions travel to Bucknell for a 3:30 p.m. game, they will herald the new season without the added pressure most defending champs feel.

At least, that's what Penn State coach Gillian Rattray said.

"I don't feel pressure the way some others do," she said. "People say it's tougher to stay at the top than to get there, but I don't think we have anything to prove."

"It's a whole new season and a whole new team. But it's the same old cliché: 'We'll have to take it

one day at a time.'"

The Lady Lions followed that philosophy last weekend as they blanked four out of five squads they played in the preseason Penn State Invitational.

"The fact that they voted her co-captain shows the respect the players have for her. She holds the defense together. She's a steady player, an intelligent player who can anticipate the play and tell you of her marking you. And she's pretty much unfappable. That's what you need back there."

Rickards agreed that playing varsity is something she wanted to do her entire life. But likewise, she said she doesn't feel the increased pressure.

"I was a little nervous at the invitational," she said, "but I worked really hard for this and I finally a chance at it. At least for now. Who's to say who'll play tomorrow?"

Actually, who it plays against is Penn State's major concern. The Lions carry the most difficult schedule in the nation, Rattray said, and she wouldn't have it any other way.

"That's the only way to prove our strength," she said. "Bucknell is not considered our toughest opponent but we certainly do not underestimate them. They're probably having several practice sessions a day just like us."

"Improving our communication is most important," she added, "but we're taking a look at corner his and more set plays and we're working on the nitty-gritty things like individual ball control and maintaining possession under pressure."

Pressure. There's that word again. But the Lady Lions won't allow it to get the better of them. "It'll be a strong game," Rickards said. "Every (opposing) team is kind of a threat now that we're defending champions. They're all out to beat us

# McEnroe, Austin advance at Open

**By BOB GREENE**  
AP Sports Writer

NEW YORK (AP) — Defending champion John McEnroe shook off a swirling wind and a stodgy foehing yesterday to defeat Ramesh Krishnan of India 6-7, 6-6, 6-2 and advance into the semifinals of the U.S. Open tennis championships.

McEnroe will meet No. 15 Vitas Gerulaitis, who defeated surprising Bruce Manson 6-4, 6-2, 4-6, 6-1 in the quarterfinals.

Moving into the women's semifinals were third-seeded Tracy Austin, No. 4 Martina Navratilova and No. 11 Barbara Potter. Austin trounced No. 6 Sylvia Hanika of West Germany 6-4, 6-3; Navratilova stopped Anne Smith 7-5, 6-4; and Potter eliminated amateur Barbara Gerken 7-5, 7-5.

Third-seeded Tracy Austin downed sixth-seeded Sylvia Hanika of West Germany 6-4, 6-3 yesterday at the U.S. Open at Flushing Meadow, N.Y.

In a men's fourth-round match which was postponed Tuesday night by rain, No. 8 Elliot Teltscher outlasted No. 14 Brian Gottfried 6-4, 6-0, 5-7, 1-6, 6-3.

Krishnan, son of a former Indian Davis Cup star and the 1975 Wimbledon junior champion, took the first set from the top-seeded McEnroe, winning a tiebreaker 12-10. The smooth-stroking Krishnan kept McEnroe at bay with perfectly placed ground strokes and a delicate touch at the net.

The two traded service breaks in the ninth and 10th games of the second set before McEnroe sequenced out a 7-4 tiebreaker, winning the final two points on Krishnan's serve.

Then came the key third set, the turning point of the match.

In the ninth game, Krishnan was up 40 on his serve. But McEnroe won the next five points, earning the only service break of the set. It was all downhill for Krishnan after that.

The brash New Yorker, seeking his third consecutive U.S. Open title, won the final five games to close out the match and end Krishnan's dream of reaching the semifinals.

Because of the rash of upsets in the centennial of America's premier tennis event, McEnroe has yet to play another seeded player.

At one point in the match, McEnroe said aloud, "This guy serves at 10 miles an hour." When asked what it later, McEnroe said: "What can I say — it's an accurate quote."

McEnroe said Krishnan "just dares you to do something with it (the slow serve). He doesn't even try to hit an ace.

It just gets in."

The right-hander from Madras, India, served only one ace in the match. McEnroe had 10 aces, plus four double-faults, one double-fault coming at set point in the first-set tiebreaker.

McEnroe said the 14 mph wind, which swirled in 20,000-seat Louis Armstrong Stadium, bothered him.

Teltscher was serving for the match at 5-4 in the third set when he dropped his serve seven straight times. His victory in the three-hour, 32-minute match, pits him against fourth-seeded Jimmy Connors in the quarterfinals.

Austin had no problems with Hanika, who double-faulted four times. With Hanika making mistakes, Austin broke her serve seven straight times. She captured the first set, and broke her serve again in the sixth game of the second set.

# Canada victorious in Cup round robin

MONTREAL (AP) — Rick Middleton's team snapped a 22 tie and Canada added four more third-period scores to rout the Soviet Union 7-3 last night, capturing first place in the round robin phase of the six-country Canada Cup hockey tournament.

The U.S., surprise 6-2 winners Monday night over Czechoslovakia, already had qualified for the top four and a semifinal berth but could have clinched third place with a victory.

Risto Siltanen, Jukka Porvari and Markku Kimmialainen scored the other goals for the Finns. Neal Broten had two goals and Tom Gonneson in the other semifinal in Ottawa.

The Americans had 46 shots at Finnish goalie Hannu Lassila, while Finland fired 22 shots at U.S. goalie Steve Baker.

The Finns finished the tourney in last place.

The U.S. team, forced to await the outcome of the Canada-Soviet game and Czechoslovakia-Sweden games to know their semifinal opponent, finished with a 2-1 record.

The Americans led 3-2 through two periods, then Miller made it 4-2 at 1:41 of the final period. But the Finns pulled within 4-3 38 seconds later on Kimmialainen's goal.

Javanainen then broke away and beat Baker from 15 feet for the tying goal. Finland had one power-play opportunity in which to go ahead when Steve Christoff was penalized for tripping at 15:35, but the Americans killed the penalty.

Baker, of the National Hockey League's New York Rangers, was seeing his first action in the U.S. goal after Tony Esposito played the first four games.

"We were lazy and didn't finish our checks," he said. "We came out, and we gave them a little confidence that carried through the game."

Lanngay said Kimmialainen's goal started the Finns back from a 4-2 third-period deficit was lucky.

"It was a tip-in where the guy didn't even see the net," Lanngay said. "The shot just hit his stick and went in."

Don Edwards, seeing his first action in relief of Mike Lunt, faced 23 shots in goal for Canada, while Myskinin had tested 33 times.

Arto Javanainen's breakaway goal at 6:38 of the third period gave the Finns a 4-4 tie with the United States in the other game in Montreal. Meanwhile in Ottawa, the Czechs earned a playoff berth with a 7-1 rout of Sweden.

The Swedes, losers of their previous four games and eliminated from the playoffs, salvaged a point in the standings in their final game in the competition.

# Lion football '81: From the Bearcats to Bear Bryant

**By MIKE POORMAN**  
Daily Collegian Sports Writer

Associate athletic director James Tarman calls the 1981 football schedule an "overreaction" to the years when Penn State went undefeated but never quite made it to the top of the polls because of a supposedly weak schedule.

But athletic director and head football coach Joe Paterno doesn't think that the Nittany Lions scheduled every big-name team this side of the '68 Packers just to silence Eastern football critics.

"Not really," Paterno says when asked if he agrees with Tarman. "We felt with the growing interest in Penn State football, we need this kind of schedule."

This kind of schedule tentatively includes future games with such heavyweight as Texas, Southern Cal, Florida State and Baylor, as well as 1981 matchups with the big four of Nebraska, Alabama, Notre Dame and Pittsburgh.

"Everyone's worried about those four teams, but I'm also looking at road games with Syracuse, Miami and North Carolina State," Paterno says. "It's a tough schedule — from beginning to end."

Well, the end is tough. But the beginning is another story.

**Cincinnati**  
(Sept. 12, Beaver Stadium)  
Pity Mike Gottfried. The first-year coach inherited a club that won but two games in 1980, and now must face Penn State and Pitt back-to-back after losing to Youngstown State last weekend. 19-16. Cincinnati's passing game is weak, but running back James Bettis should gain some yards behind tackle Kari Yi-Izenko (his real name).

Pennsylvania product Dave Warner is an able QB, but any semblance of a passing attack has graduated with the team's top three receivers of 1980. New coach Dick MacPheron has a gem in kicker Gary Anderson, who's connected on 30 straight PATs.

**Nebraska**  
(Sept. 26, Beaver Stadium)

The Orange secondary isn't quite the pits, but... Well, the Lions, they too shall pass.

**West Virginia**  
(Oct. 24, Beaver Stadium)  
The Mountaineers lost big names Robert Alexander, Walt Baskley and Delbert Fowler. And they gained former Penn State Staff Jeff Hosteler, who must sit out a season after transferring. However, West Virginia does have some luck on its side in quarterback Oliver Luck, the man who holds the Mount's offensive together — what's left of it.

Darryl Talley and Dennis Powless had a defense that could border on disaster. Penn State has won every meeting (except for a tie in 1969) since 1955 because of the two, although the Lions tried awfully hard to break that string last year, ending out a 20-15 win.

**Miami**  
(Oct. 31, Orange Bowl)  
This could be Miami's year. A 55-yard field goal that rickshotted off the left upright enabled the Hurricanes to nip Florida 21-20 last weekend and move Miami to No. 16 in the AP poll.

QB Jim Kelly (a Lion-killer in '79) got hurt last week, but Miami has two weeks off for him to recover and plenty of time to prep for Penn State. Coaches Howard Schnellenberg, Homercoming, Running Back Shelby Gamble and QB John Loughery provide ample offense and potential All-American lineweaver Jim Dumas anchors a steady defense.

Penn State has never lost to Boston College. It should stay that way.

**N.C. State**  
(Nov. 7, Carter Stadium)  
Raleigh, N.C. does not hold pleasant memories for Joe Paterno. That's where, in 1970, Herb Mesrobian hit a 54-yard field goal on the final play to tie the Wolfpack 17. Paterno kids now: "We really ate them up down there."

LB Robert Abraham and Perry Williams are preseason All-Americans. Quarterback T.O. Avery had an excellent game against the Lions last year and the switch to the I from the Vee should help him all season long. He'll need it.

**Alabama**  
(Nov. 14, Beaver Stadium)  
If the Crimson Tide loses once between now and Nov. 14, look out University Park. That means the Nittany Lions are the

potential 315th victim in Paul "Bear" Bryant's collegiate coaching career. Among Alton Sapp's 314 wins is the current record. Bryant's chase will overshadow this year's Alabama team — a dandy.

Bama shattered LSU's 2-0 lead last weekend and in the process used three quarterbacks, one of whom — Walter Lewis — runs a 9-0 team. Running backs abound and the linemen are big — 25, you guessed it, bears. First team all-American LB Thomas Boyd returns on a defense that gave up but 8.2 points a game in 1980.

And remember (who can forget?), the last time Penn State and Alabama met was New Year's Day, 1979 in the Sugar Bowl at New Orleans. Final score: Crimson Tide 14, Nittany Lions 7.

**Notre Dame**  
(Nov. 21, Pitt Stadium)  
The Fighting Irish. Gerry Faust. Knute Rockne's ghost. A network of 50 radio stations. They'll all be here. Knute Rockne too. For the second week in a row, Beaver Stadium becomes the Mecca of college football. Coaches, fans, writers finally bow to the East.

Now take a look at the teams Notre Dame meets before Penn State: LSU, Michigan, Purdue, Michigan State, Florida State, Navy, Georgia Tech and Air Force. And the Irish are in Miami the week after Penn State. Halfback Phil Carter, wingback Tony Hunter and Blati Kiel had an explosive offense and All-American Bob Crane is among the best there is at linebacker.

The question is: How many losses will the two teams have when they meet at this late date?

**Pittsburgh**  
(Nov. 28, Pitt Stadium)  
Twelve Pitt players were taken in the National Football League draft and seven others were signed as free agents this past spring. So where does that leave Pitt, the Penn State nemesis? The Panthers have a full season to find out. They already have one.

In quarterback Dan Marino and receivers Dwight Collins and Barry Compton, Pitt has a passing attack to rival Brigham Young's. Freshman Bill Frelch, Jackie Sherrill's pre-recruit, will bolster the Pitt defense, where returning regulars are LB Sid Sumner and safety Tom Frazier.

If Penn State is undefeated up to this point, pure momentum will ensure a victory.
