Sanders' killer one liberated woman

bestseller

"The Third Deadly Sin," by Lawrence anders, G.P. Putnam's Sons, 374

By P.J. Platz For The Daily Collegian The ERA has truly placed its mark in the literary world, as attested by

Lawrence Sanders' latest novel, "The

trail a murderer through daily life and

snatcher, but a rather dull middleaged woman who quietly slashes the throats and genitals of strange men. Fans of Sanders' "First" and "Second Deadly Sin" books will be happy to be working once again with ex-Chief of Police Edward X. Delaney, a great chunk of a man who's part bear, part bloodhound and who is known in the NYPD as "Iron Balls." The moment Delaney gets one whiff of the mysterious murders, noting the criminal's care in leaving no traces or clues, he licks his lips in anticipation of the thrill

of the chase, and we're off and running her Swiss army knife, and prowls midby his side through this satisfying town conventions in search of a victim on which to vent her inexplicable pains detective story. What really sets apart the "Deadly and torments caused by menstruation. Sin" novels from the gamut of other Zoe's slightly disjointed past may Third Deadly Sin." This time as we like series is Sanders' handling of his people. I say people as opposed to

Edward X. Delaney is not young, As in "The First Deadly Sin," Sandvirile and sought after by 007-ish wom- ers bounces us back and forth between en; his wife is not glamorous and Criminal and Law: nothing is a surgamine; they make a comfortable prise (no, the butler did not do it) above-middle-aged couple who live in except that the murderer is, this time, a comfortable above-middle-aged brownstone in Manhattan. I'd like to

tracking down the killer is more than few Glenlivets on the rocks, discuss the just interesting to the layman, and latest traffic tie-ups downtown or the intricacy of the chase. Indeed, it's as if Any one could know the killer, Zoe the author himself doesn't know which Kohler. She is a mouse by day, a strings he must pull to enable Delaney lioness by night. Once a month she sharpens her wardrobe, her wits and

fun the girl ever has.

And so off we go with Delaney and Sanders on another trek through the outer edges and inner convolutions of a know that the team is triumphant: cause some headscratching among the Delaney gets his man . . . er, I mean

infections and nightmares," in a col-

ronas, Camels and Players."

Cheever at best when off the beaten path

John Cheever, Vintage, \$7.95, 693

Daily Collegian Staff Writer.

Pulitzer Prize-winning author John Cheever has written many short stories for "The New Yorker." These and other works are collected chronologically in "The Stories of John Cheev-

Short stories should have an unusual twist. Most of Cheever's early stories lack the polish and emotion of the later ones; they are simple stories of ordinary people who live, love and die. In one Cheever writes, "Why is it tion; he then feels "surrounded by

seats at the play with a ransom of cholers, infections and nightmares?" A common theme throughout Cheever's work is separation by death or divorce. The death of something, whether it be a principle, a child or feelings for someone, runs all through the book. Stories of divorce are chronicled from husband, wife or child's point of view. The best story, "Metamorphoses,"

consists of four parts, each a complete

opens the office door of his boss and finds his boss in a compromising situathat life is for some an exquisite priv- trouble, misfortune and disaster."

him, and on the way home from work he is mistaken for a delivery man and a waiter. When he finally gets home his dogs are loose in the yard and they attack him. The second part is about a man deeply in love with a woman who has an invalid father. The two marry but

This event brings out the darker side of

best place to buy croissants.

never tell the father, who lives out in the country. The wife visits the father every summer and the husband misses her so much he goes to the country house and takes his wife for a drive. He is so busy looking at her while he

drives that he has an accident and she is killed The third part has two characters, a homely daughter and a domineering lection of ordinary, forgotten stories.

By BETSY DRU LONG from memory. "The cheer,/ reader my friend, is in the words here, His opening poem, "Two Masks Unearthed in Bulgar- the loud and nonsensical rock music that comes out of

Words addressing evil won't turn evil back/ but they "the old clay which is their wrinkled skin." That line, can give heart./ The cheer is hidden in right words." among others, created a very effective image. This is the opening of one of William Meredith's Meredith discussed his first book, "Love Letter from poems, and it was also the introduction that John Balaban, professor of English, made at Meredith's MacLeish in 1944 for the Yale Series of Young Poets. He poetry reading Wednesday night in the HUB Gallery
Lounge.

MacLeish in 1944 for the Yale Series of Young Poets. He said that some of the poems in the book were written while he was in callege. Meredith is the author of seven books of poetry and Eliot." Meredith defined his college days as the "era of

which he tried to escape. In a side Poets since 1964. From 1978 to 1980 he was a poetry comment, Meredith said that today the poets are clear consultant to the Library of Congress. Impressive — it's the Secretaries of State who are unclear.

funny because of the treatment of the subject matter somewhere./ Frankly, I'd like to make you smile./ ia," was two stanzas that describe the masks in terms of "thick black hooting discs."

> What was probably Meredith's most poignant piece was, "Dreams of Suicide, In Sorrowful Memory of John Barryman, Ernest Hemingway, and Sylvia Plath." He introduced the poem with a lengthy discussion of suicide: some say it's done by people who take life more seriously than you or I. He knew John Barryman personally and told the audience that his suicide was a does not understand or approve of suicide, and his poem is a sort of moral statement about it.

The comic side of Meredith surfaced several other Meredith provided his audience with some laughs and - Meredith enlightened his audience with tidbits of times in the hour long reading. Introducing his poem some insight into the physical world and the people in it. nteresting facts and amusing stories. Each anecdote about Hazard, the painter, Meredith confided that he Here was a poetry reading with real worth.
