**NEBRASKA GAME STUDENT TICKET INFORMATION**

*Game will be televised by CBS — KICKOFF: 3:45 P.M.*

- Student gates will open at 2:00 p.m. The game is a sell-out. Parking lots will open at 9:00 A.M.
- The Student Ticket Policy stipulates that a senior/grad may sit in any of the student sections; it does not guarantee a seat in the designated senior/grad sections.
- Have University I.D. card with full-time Fall Term '82 sticker and ticket ready for gatemen.
- Seniors & Graduate students MUST enter Gate #15 in order to be seated in the Senior/Grad sections.
- Juniors MUST enter Gate #16 in order to be seated in the Junior sections.
- Freshmen and Sophomores MUST enter Gate #17.
- Seniors may sit in any class section, as space permits, but must enter the gate designated for that section.
- Juniors may sit in the junior and freshmen/sophomore class sections, as space permits, but must enter the designated gate for that section.

The gate you enter is the determining factor as to the section in which you will be seated for the game. For example: If you are a senior, hold a senior ticket, and wish to sit in the senior section, but enter the stadium through Gate #17 (freshmen/sophomore gate) you will be required to remain in that section for the game.

The coordination of gating to seating sections is utilized to insure the quickest and most efficient entrance to the stadium for all students. This system was devised after extensive meetings and discussions with students including the Association of Residence Hall Students.

- In fairness to your fellow classmates, please occupy one seat number only and refrain from attempting to save seats.
- Pass-out checks will be issued at the following portals: Senior/Grads — Bottom of section ED; Juniors — Bottom of section EC; Fresh/Sophs — Bottom of section EA.
- The student seating sections of Beaver Stadium ARE NOT OVERSOLD.

However, there are more holders of senior/grad tickets than there are seats in the sections (ED & EC) assigned exclusively to senior/grads.

The Student Ticket Policy stipulates that a senior/grad may sit in any of the student sections; it does not guarantee a seat in the designated senior/grad sections.

It is impractical to sell to each class only the number of seats contained in the sections assigned to each class. If this were done, many juniors, seniors, and graduate students would be shut out of Beaver Stadium because of lack of tickets.

For example, there would be no way of knowing how many seniors or juniors would prefer to sit in the freshman/sophomore sections if they were dating a member of those classes.

Your ticket is a guarantee of admission to Beaver Stadium, when presented with a current full-time student identification card. It is not a guarantee to sit in a particular section. Senior/grads may sit in all student sections; juniors in all sections but the senior/grad section; and freshmen/sophomores in all, but the junior, and senior/grad sections.

*Our best advice: Enter the stadium early.*
