For Carlos Santana, his guitar was an extension of himself, and througha number of instrumentals, but the have stolen the show if it hadn't been out the performance it was his guitar new material wasn't received with for Carlos' unmistakable stage presthat held together the array of musical directions in which the band has successfully travelled - the wide variety of jazz, Latin and Afro-Cuban music now fused with a more recently acquired pop sound. The master musician has a feel for contemporary music but still maintains the continu-

ity of his vintage work.

Alexander Ligertwood, the band's newest vocalist, handled the recent material very well. But with classics such as "Oye Como Va" and "She's Not There," his voice wasn't quite strong enough to replace original singer/keyboardist Gregg Rolie, a founding member who left with gui-
