Young said almost 3,000 radioequipped vehicles belonging to local gas, electric and telephone companies will immediately become part of a special program to com-

"Not much is going to move out there without being seen by these

eyes and ears," the mayor said.

The utility vehicles will display special decals identifying them "as places that provide help for young people and old people," Young said. He added that a special communications system will be set up between the police department and radio rooms of the utilities to speed police response if a crime is reported by a utility employee.

Al Glancy, a representative of Michigan Consolidated Gas Co., said the program "reaffirms our civic responsibility to serve notice to those who would commit crimes against our children that we will not permit it."

The mayor also ordered police to patrol along school routes during hours when students are present and to deploy plainclothes surveillance teams in areas around

AP Television Writer

LOS ANGELES - CBS' "Dallas" retained dominance over its rival prime-time soap opera "Dynasty," but that didn't deter ABC from trouncing CBS in the Nielsen ratings for the week ended Feb. 5.

"Dallas" finished first, with "Dynasty" in third place behind NBC's "The A-Team." ABC ended the week more than three ratings points ahead of CBS, which was in first place the previous week. ABC also won the opening period of the February sweeps. NBC was in third place all the way around. ABC and CBS won four places each in the Top 10 for

the past week, while NBC took the other two.

strength of the World Series or powerhouse movies such as "The Day After" and "Something About Amelia." But ABC won it this time with a strong overall showing of regular programming. Some shows, such as "Oh, Madeline," "Three's Company," "Matt Houston" and the entire Thursday

lineup had their highest ratings of the season. Others, such as "Hart to Hart" and "The Fall Guy," had the highest rating in five weeks. ABC's "Webster" has continued to do well and in the current period is the highest-rated half-hour comedy, in 13th place. ABC won the A.C. Nielsen Co. survey with a network average of 19.6. CBS was second with 16.2 and NBC was
