Team USA faces 'all or nothing' situation

to be in contention for a medal," Johnson, more pensive as the medsaid Phil Verchota, captain of the U.S. team and one of two repeaters thinking tonight about the mistakes I from the 1980 gold medal squad, "So we know we have to win the next game." One point is awarded for a tie, two for a win. There are six teams in each divi-

sion in the hockey competition and the two that have the most points in each group will advance to the medals round. For the Americans to move on, they can't afford another loss and even a tie in any of the remaining four games would probably eliminate them from contention. Czechoslovakia entered the Olym-

pics as the favorite in the B group. "They are an excellent team and they should have beaten the Soviets in the World Championships," said U.S. Coach Lou Vairo, whose team dropped its opener Tuesday to Canada 4-2. "They were winning most of the game, then started running around and were tied. They are probably the second best team in

the world. "We know they are good but we don't feel we can't beat them. If we felt beaten before we played them,

why bother?" Canada lost two players in a pre-Olympics eligibility dispute spurred by Finland but blamed on the Americans, and that turned out to be an incentive in the first game. The Czechoslovaks also have an incentive — they want to avenge their loss to the U.S. in the 1980
