**TAKE A BREAK FROM THE BEACH**

and Fridays are College Days

at the World Epcot Center

Thursdays and Fridays are your days to get together with friends for an adventure above and beyond the ordinary. You'll join in the year-round celebration of the beach. Be a part of a street theatre comedy. Explore the realms of imagination. Play lacrosse with a fountain. And sample the cuisines and splits of nine nations. Wherever you are in Florida during Spring Break '84, you'll be just minutes away. This year, take a break from the beach for an adventure that's out of this world. Walt Disney World Epcot Center.

**INTEL**

**RESOURCES**

Our resources begin with a history of firsts in engineering microelectronics breakthroughs. We achieved this by providing our engineers with a dynamic working environment, surrounding them with inventive minds and advanced equipment, and giving them the green light to express their creative insights.

**OBJECTIVES**

Our consistent goal is to market a tradition of innovation in advancing state-of-the-art microelectronics, and to anticipate the needs of our customers. We achieve our objectives by cultivating the finest minds in our industry and rewarding their contributions.

**NEW COLLEGE GRADUATES**

The vision, skills and desire that you bring to Intel will take you far beyond the ordinary in professional life. This is, by far, the most exciting time in high technology, and Intel is creating even more excitement with its emphasis on innovation. If you are graduating with an engineering degree in Electrical, Computer Science, Chemical, Mechanical or a related technical discipline, we offer challenging opportunities, with advancement based on achievement in Texas, California, Arizona, Oregon and New Mexico.
