

Rose takes 5 walks but still one hit shy

By JOE KAY
AP Sports Writer

CINCINNATI (AP) — Pete Rose took five walks yesterday — four to first base and one down the aisle. The Montreal left fielder got married in his hometown early yesterday, then went 0-for-1 with four walks in the Expos' 9-2 afternoon victory over the Cincinnati Reds to remain one hit shy of 4,000.

His next shot to reach that mark will come in Montreal's home opener tomorrow night against the Philadelphia Phillies, the only other team for which Rose has played.

"I'm going to get another hit this year. I'm not worried about that," Rose said. "I'm just happy we won today's game."

The wedding, Rose's second, was a private ceremony in his attorney's office. He married 29-year-old Carol Wolung of Lawrenceburg, Ind.

"It was a short ceremony this morning, that's all," Rose said, shrugging it off. "That's something you do on your way to getting 4,000."

"I had to get married because that was the only way I could get her on the team plane back to Montreal. Only wives are allowed on the plane."

With the nuptials behind him, Rose turned his attention to getting the lone hit that keeps him from the 4,000 plateau reached only by Ty Cobb.

Rose swung only once, to foul off a pitch, while drawing walks in his first three trips to the plate against starter Bruce Berenyi. He walked on a 3-2 count and a pair of 3-1 counts, while the fans booed Berenyi's wildness.

Rose hit the first pitch back to reliever Frank Pastore in the sixth, and drew a walk on a 3-1 count from Pastore in his last at-bat in the eighth.

Fans tossed debris on the field when Rose was taken out for a pinch runner, and Pastore was booed when he was removed.

"The only bad thing about the whole day, I think, is I didn't like the reaction toward Pastore," Rose said. "He was just trying to do his job."
