**ARE YOU TIRED OF PLAYING GAMES?**  
When you apply for a job, you don't send the company your diploma. Next to your diploma, the most personal, professional piece of paper you own should be your résumé.  
At Collegian Production, we can help you achieve that professional look by helping to design a résumé to suit your image. We offer a professionally typeset and printed résumé with a matching letterhead and envelope.  
We have four résumé formats and five typefaces to choose from, as well as five different types of paper. Our professional staff can help with typographical and design considerations. And best of all, you'll find our prices reasonable.
