FORESTRY SOCIETY (241) promotes fellowship, interest, and the enhancement of knowledge in forestry through meetings featuring guest speakers, field meets, and social activities. To generate revenue for these activities, the group sells Christmas trees and firewood.

FRENCH GRADUATE ORGANIZATION (242) seeks input from the graduate students on administrative decisions and their possible impact upon students.

FRONTLASH (243) is a vehicle for youth participation in politics by voter registration campaigns, political and labor education, and coalitions.

GEOLOGICAL SCIENCES CLUB (244) stimulates interest in the geological sciences and organizes field trips and education programs.

GERMAN CLUB (245) organizes and hosts the annual Oktoberfest and Faschingsball events and provides opportunities to speak German and learn more about German culture.

HAP CLUB (246) publishes a graphics oriented magazine which provides an outlet for student art and graphic achievements.

HISTORY ROUNDTABLE (247) provides a forum for interaction between faculty and students concerning the study of various aspects of history.

HORTICULTURE CLUB (248) establishes and develops a spirit of unity, friendship and sociability between students and faculty members of the Department of Horticulture. Activities include the annual Hort Show on Homecoming weekend.

HOTEL AND RESTAURANT SOCIETY (249) supplements the FSHA program through seminars and demonstrations. It also provides experience for its members through its catering service.

HOTEL SALES AND MANAGEMENT ASSOCIATION (250) fosters the development, maintenance, and improvement of sound business practices through guest speakers. Annually, it sponsors two trips to hotels and resort areas to conduct sales or operations analysis.

INDIVIDUAL AND FAMILY STUDIES UNDERGRADUATE STUDENT ORGANIZATION (251) conducts workshops, participates in service projects, and provides a job search for senior members and works in union with the commonwealth campuses.

INSURANCE CLUB (252) serves to bring together students and people from the various aspects of the insurance field.

INTERNATIONAL COUNCIL (253) 101 D HUB, interacts with various international organizations in coordinating educational and cultural activities for the University community and townspeople to enjoy.

JUGGLING CLUB (254) promotes the art of juggling while providing a source of equipment and instruction to all persons willing to become members.

JUSTICE ACTION GROUP (255) gives students opportunities to become acquainted with thoughts and theories of major figures in the field of criminal justice.

LABOR STUDIES CLUB (256) allows students to participate in and realize problems and expectations of the job market and of people in labor and industrial relations.

LANDSCAPE ARCHITECTURE STUDENT SOCIETY (257) fosters high standards and full preparation toward professional qualifications in landscape architecture.

LIONS GUARD (258) fosters a spirit of friendship and cooperation between members while competing intercollegiate in various basic and trick drill exhibitions.

MANAGEMENT CLUB (259) through study, discussion, informs, and assists, promotes the understanding of social, psychological, and economic implications of scientific principles of modern management.

MANAGEMENT SCIENCE CLUB (260) offers achievement of greater social and academic unity among QBA/OM majors in the College of Business Administration.

MAN-ENVIRONMENT RELATIONS INTEREST GROUP (261) investigates man-environment relations issues through guest speakers, special projects, and activities, and also provides students with information about the curriculum, practicum, and job opportunities.

MARINE SCIENCE SOCIETY (262) provides information in the biological, physical, geological, and chemical areas of the marine sciences through presentations, lectures, field trips, and job opportunity programs.

MARKETING CLUB (263) provides a better understanding of marketing and possible career opportunities through meetings featuring speakers from industry.

MECHANICAL ENGINEERING CO-OP SOCIETY (264) provides a forum for interaction among students, faculty, and staff through social and academic activities.

MICROBIOLOGY CLUB (265) develops leadership and aids in the general welfare of students interested in microbiology through active participation in special projects and guest speakers.

MINING SOCIETY (266) makes available a medium for meeting and discussing matters of interest to those concerned with the mining industry.

MODEL RAILROAD CLUB (267) works in the HUB Basement on model railroad projects and visits various railroads to further the educational and recreational pursuits of persons interested in model railroading.

MODERN ROCK APPRECIATION ASSOCIATION (268) unites students interested in modern music through group awareness, meetings, parties, dances, and concerts.

MONTY PYTHON SOCIETY (269) sponsors one or two movies every term along with one major project each year in appreciation of English humor as exemplified by the comedy group, "Monty Python's Flying Circus."

NATIONAL AGRIMARKETING ASSOCIATION (270) through programs featuring speakers, hopes to increase the understanding of agriculture's role in our economy. It also acts as a student service by seeking panel discussions, and programs involving speakers.

NATIONAL FILM EDUCATION ASSOCIATION (271) serves to promote transition from art education to professional practice—to gain insight about teaching art and raise standards of art education on campus—to sponsor service projects and exchange ideas about art education.

NATIONAL ASSOCIATION FOR THE EDUCATION OF YOUNG CHILDREN (272) serves and acts on behalf of the needs, rights and well-being of young children and participates in the development of standards which will ensure high quality programs.

NATIONAL STUDENT SPEECH, LANGUAGE AND HEARING ASSOCIATION (273) serves as the means of communication with professionals through meetings, newsletters, speakers, and informal meetings of students and faculty.

NITTANY CHEMICAL SOCIETY (274) provides a forum for students in chemistry, bio-chemistry, and related fields and presents programs on various aspects of chemistry.

ON DRUGS, INC. (275) 236 S. Allen Street, provides 24-hour drug and alcohol crisis intervention, education, and short-term counseling, referral and services as a drop-in center.

PENN STATE FLYING LIONS (276) encourages interest in aviation, promotes safe, proficient flying, and advances the knowledge of its members in aeronautical related subjects.

PENN STATE MARTIAL ARTS GROUP (277) promotes physical fitness through skill and disciplined advancement of the martial arts.

PENN STATE STAMP CLUB (278) fosters, develops, and otherwise enhances the avocation of stamp collecting.

PENN STATE WARGAMING (279) provides opportunities for students and faculty to pit themselves against each other in games of strategy and tactics.

PENN STATE WRITERS CLUB (280) utilizes work sessions, writing critiques and readings to bring members a better understanding of their own efforts and the entire field of writing.

PENNSYLVANIA LEGAL SOCIETY (281) conducts seminars, excursions, counseling, and other activities for students interested in law school, government, and politics.

POLYMER SCIENCE CLUB (282) promotes and stimulates student interest in the growing field of polymer science.

POULTRY SCIENCE CLUB (283) promotes the growing technology and management of poultry science and closer relationships between students and faculty.

PREMED SOCIETY (284) assists students entering the field of medicine and related fields.

PREVET CLUB (285) tours medical schools, co-sponsors an annual dog match and invites prominent speakers each term to broaden students' perspective on the field of veterinary science.

PUBLIC RELATIONS SOCIETY OF PENN STATE (286) encourages the understanding of current theories and procedures in the practice of Public Relations and instills in them a professional attitude.

REAL ESTATE CLUB (287) promotes and encourages the exchange of ideas among those interested in the real estate profession and perpetuates high standards of service, knowledge, and integrity in the profession.

RECREATION AND PARKS SOCIETY (288) provides social, physical, and cultural programs featuring speakers for students interested in recreation and parks.

REHABILITATION EDUCATION ORGANIZATION (289) is open to all who are interested in hearing speakers present information about the field of rehabilitation education, job opportunities, skills, problems and techniques of rehabilitation education.

REMOTE SENSING AND MAPPING (290) promotes interaction of persons interested in remote sensing and mapping on campus.

SCIENCE FICTION SOCIETY (291) provides an active vehicle for the discussion of the science fiction genre in literature, films, and art, and maintains a science fiction library in Pattee Center.

SILVER WING SOCIETY OF ANGEL FLIGHT (292) advances and promotes interest in the ROTC and educates college men and women about military life.

SOCIETY OF AMERICAN MILITARY ENGINEERS (293) fosters interest among ROTC cadets and other students by having professionals address the society on various phases of engineering, military, or related subjects.

SOCIETY OF ENGINEERING SCIENCE (294) provides a medium for the exchange of ideas among those interested in or participating in the engineering or science industry.

SOCIETY OF MANUFACTURING ENGINEERS (295) encompasses all engineering disciplines with emphasis on the manufacturing industry; activities include sponsoring speakers from industry and taking tours of manufacturing plants along with various social activities.

SOCIETY OF MINERAL ECONOMISTS (296) serves all mineral resources through related programs and activities.

SOCIETY OF PHYSICS STUDENTS (297) helps student physicists develop knowledge, competence, and social responsibility through research projects and guest lectures.

SOCIETY OF SOCIAL WORKERS (298) provides information and professional counseling for students interested in the social welfare field.

SOCIETY OF WOMEN ENGINEERS (299) attempts to address the needs of women in the engineering profession through workshops, guest speakers, and plant tours, and provides a resume handbook and a guide presentation for area high schools.

SOCIOLOGY CLUB (300) stimulates student awareness of sociology as a viable field of study.

STUDENT ADVISORY BOARD TO UNIVERSITY HEALTH SERVICES (301) provides students with an opportunity for substantive and procedural involvement in developing the policies and programs of Ritnerous Health Center.

STUDENT CHAPTER OF NATIONAL ASSOCIATION OF HOME BUILDERS (302) serves students who are interested in the residential construction aspects of the Civil and Architectural Engineering fields.

STUDENT DIETETIC ASSOCIATION (303) works to increase community and student awareness of dietetics especially during National Nutrition Month. Other activities throughout the year include workshops, seminars, and on-campus facilities.

STUDENT FILM ORGANIZATION (304) shows weekly films and holds workshops regularly. The "Can Film Festival" is an annual event sponsored by the Student Film Organization where theater and film students can submit films to be shown to the general public.

STUDENT NURSES ASSOCIATION (305) invites speakers to address different topics such as first-aid, CPR, mid-wifery, etc.; and goes on an annual trip to Hershey Medical Center.

STUDENT PENNSYLVANIA STATE EDUCATION ASSOCIATION (306) provides information, sponsors workshops, and seeks to bring together prospective teachers to share the experiences of professional education, to elevate the quality of teaching, and to promote the welfare of those who teach.

STUDENT SOCIETY OF ARCHITECTURAL ENGINEERS (307) promotes the recognition of the Architectural Engineering profession and the position of the architectural engineer in society through seminars, job hunt programs, and student/faculty social activities.

STUDENTS FOR LIFE (308) attempts to educate the student community about the need to protect and value human life from the moment of conception to the moment of natural death.

STUDENTS FOR REPRODUCTIVE RIGHTS (309) is an organization dedicated to the security of the rights of all people to exercise their reproductive options.

UNDERDOGS (310) serves as a focal point for undergraduates interested in geography, and is active in sponsoring career workshop programs with guest speakers, and field trips.

UNIVERSITY READERS (311) stimulates interest in the oral performance of literature, develops oral performance skills among its members, and exposes others to fine literature through public performance.

VOCATIONAL INDUSTRIAL CLUBS OF AMERICA (312) provides a vehicle for students and faculty to work with trade, industrial, technical, and health occupations through educational, vocational, recreational, and social activities. It also provides a resource center for information and activities.

WILDLIFE SOCIETY (313) (Penn State Chapter) attempts to increase awareness of wildlife values and promotes wildlife resources through research projects at Bald Eagle State Park along with their annual trip to Hawk Mountain Wildlife Sanctuary.

WOMEN IN AGRICULTURE (314) promotes interaction and communication among students, faculty, and professional women in Agriculture and strives to meet the needs of women in Agriculture and related fields.

WORLD AGRICULTURE SERVICE SOCIETY (315) attempts to assemble persons who have a sincere desire to acquire an awareness of the world-wide agricultural situation and promotes international understanding.

YACHAD (316) provides a source of information about Israel and Judaism through movies, exhibits, social, and informative meetings and speakers.
