DOWNHILL SKIING FOR PHYSICAL EDUCATION CREDIT ALL ABILITY LEVELS

— First-Time Beginner Through Expert —

The Physical Education Basic Instruction Program once again offers DOWNHILL SKIING at the local Tussey Mountain Ski Area. Students should reference page 88 of the Spring Semester Schedule of Classes for pre-registration details. Class sizes are limited. This is a fee course.

PLEASE NOTE: DOWNHILL SKIING classes are held on Tuesday, Wednesday, Thursday, Saturday, and Sunday, as noted in the Schedule. However, the Sunday sections appear as "by appl.". If you desire to have your class on Sunday, refer to page 88 of the Schedule — Schedule number 780617 is for the 11:00 AM to 1:30 PM Sunday class, and Schedule number 780626 is for the 1:30 PM to 4:00 PM Sunday Class.

All students who register for DOWNHILL SKIING must pick up a DOWNHILL SKIING INFORMATION SHEET at Room 105 White Building before the end of Fall Semester — This contains important information regarding cost and first meeting time and place.

Take advantage of this opportunity to learn to ski, or further develop your present skills — and earn Physical Education credit at the same time.
