Hon. R. Paul Campbell

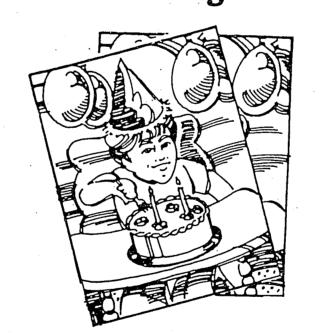

Only the University of Georgia offers a Brand Management
Masters program that puts you in the workplace before you graduate.

After nine months of intensive course work, you'll work as a salaried intern for a company like Coca-Cola, Scott Paper, Frito-Lay or McCann-Erickson. And you'll have the preparation you need to perform well during your internship, because we developed the curriculum in cooperation with our Board of Advisors, all leaders in

No other program offers you the opportunity to turn specialized training into a working knowledge of brand management. And that's what will give you the edge in today's highly competitive job market.

Look into the Masters of Brand Management Program at the University of Georgia. It could be the smartest business decision you'll ever make. Scholarships of \$6,000 are available to qualified applicants.
