Pilot makes writing so exciting.
The Pilot Precise rolling ball pen—the smooth, sleek way to get it on paper.
It's the pen that writes as fine as it looks. A tiny ball held by a needle-like collar is the secret to the comfort and smoothness you'll experience. And because of its ball, the Precise will write crisply through carbons. Try either the fine or extra fine point. Only \$1.19 each.

The fastest-growing profession in America.
According to the U.S. Bureau of Labor Statistics, the need for paralegals is about to double.
Now is the time to become a part of this dynamic profession... and there is no finer training available than at Philadelphia's acclaimed Institute for Paralegal Training. After just four months of intensive study, we will find you a job in the city of your choice. We are so confident of the marketability of our graduates that we offer a unique tuition refund plan.

WINTERVIEWS.

Will you be ready?
The *wintervIEWS* are coming, and now's the time to get ready. One way is to project a good image with your résumé. Résumés from Collegian Production are visibly, visually distinctive. They tell prospective employers that you made an extra effort to look your best on paper. We'd like you to be ready to face your winter interviews with confidence — and the best looking résumé possible. We have many formats and paper samples, and you're invited to browse through our résumé portfolio, choose a style that you like, or create your own. So relax. Let Collegian Production work on your image. We'll have you ready for *winterview* season. Promise.

Résumé Service Monday through Friday
