The Lions defeated the Midshipmen, 6-5, to win the tournament. To get to the final game, Penn State defeated Delaware, 5-4 — the same team the Lions defeated, 8-1, only a week ago. In the last meeting with Delaware, six of Penn State's goals came off the power play. This time, however, penalties were not a factor in the outcome.

Rhoden hoping to be traded

PITTSBURGH (AP) — The agent for pitcher Rick Rhoden has again asked the Pittsburgh Pirates to trade the veteran righthander, who slumped to a 10-15 record and 4.47 earned run average last season.

Pirates General Manager Svd Thrift, who unsuccessfully tried to trade Rhoden during baseball's December meetings, said no trade is possible until at least spring training. "He has to be prepared to show his best efforts in spring training, because that is where his lot will be determined." Thrift said. Rhoden, the Pirates' opening-day pitcher last season, "has no intention of pitching in Pittsburgh this season," said his agent, Tony Attanasio.

"Rhoden feels he has paid his dues," Attanasio said. "He is putting his condo up for sale. It is nothing about the city of Pittsburgh. He just has too many psychological scars from being there. He went through a divorce there and he wants out." The Pirates obtained Rhoden in a 1979 trade with the Los Angeles Dodgers for left-hander Jerry Reuss. Rhoden has a 106-85 career major league record and is 64-61 in seven Pirates' seasons.

Pirates name new VP

PITTSBURGH (AP) --- The Pittsburgh Pirates yesterday named Kenneth C. Curcio, an assistant to the treasurer since 1973, as their vice president for finance to replace treasurer Doug McCormick. Curcio's appointment is effective April 1, according to team spokesman Greg Johnson.

McCormick resigned last week to join the John W. Galbreath Co. in an executive position. The Galbreath family is currently completing the sale of the National League Pirates to a public-private coalition headed by Ryan Homes, Inc. chief executive Malcolm Prine.
