### Are there soft contact lenses for astigmatism? Yes!

Our office is now fitting new soft contact lenses for patients with astigmatism. Developed by VISTAKON™, a Johnson and Johnson Company, they're now available for daily... weekend... or extended wearing schedules.

Patient-proven, these soft lenses are designed for comfort and excellent vision correction. Best of all, they fit your active lifestyle. You can jog, camp, play tennis—go anywhere, anytime, day or night. Because the lenses can be worn comfortably for up to 30 days, without following a strict daily cleaning regimen.

We specialize in fitting soft contacts. Together, we can determine if these soft contact lenses are right for you. Just call us today for an appointment.
