Introducing Penn State Diners Club

A Prepaid Meal Plan

Penn State Food Services announces a convenient and low cost way to dine in any food service location operated by the Department of Housing and Food Services.

The Penn State Diners Club is a prepaid food service plan designed especially for the Campus Community. The plan offers a 10% discount over posted cash prices (both in the dining halls and the cash operators), great flexibility as to time and location of use and the convenience of not having to always carry cash.

Club membership is open to faculty, staff and students who do not have an A La Board contract. Once you have made your initial deposit and your account has been activated, you will be on your way to eating anytime and in all food service locations operated by the Department of Housing and Food Services. Campus Food Services offer a wide variety of high quality food and snacks convenient to your office or classroom. This 10% anywhere / anytime discount makes the plan even more attractive.

Don't miss out on the opportunity to enjoy the best for less. Join The Penn State Diners Club today!
