## Fatal third round dooms lady golfers

By ADAM T. GUSDORFF **Collegian Sports Writer** 

Taking a seven-stroke lead into the final round of the last weekend's William & Mary Invitational, the women's golf team was unable to hold on and finished fourth in a 12-team field.

"I don't know what is was," senior Lisa Dine said. "We usually shoot poorly the first round and well in the last, but this time we shot well the first two days and bad the last."

The tournament was won by Rollins during a sudden death playoff with Purdue. Longwood. College finished third, one stroke ahead of Penn State and North Carolina-Wilmington.

Dine said the team really wanted to win because it was the final collegiate tournament for three players: herself, Erin Borowicz and Sue Highdu-

"We hadn't won a tournament all year," she said, "and this was our best chance. It was the first time we were all hitting the ball great, but we just couldn't get our scores low enough (the third day). We had trouble with our short games and had a hard time getting a feel for the greens. It was a disappointing ending.''

Rain in Williamsburg, Va., prevented the Lady Lions from getting practice, but the team walked through the course. The course is strategically laid-out so that placement off the tee is crucial. The rain ended before the tournament began. however, as sunny skies prevailed.

Pacing the Lady Lions was Borowicz, who placed seventh in the individual competition. She was followed by Susan Dutilly, who earned 11thplace honors. Because she was competing only ' individually, her scores did not play a role the team's total.

hurt by a combination of their mediocre play and the torrid play of Rollins and Purdue. Consistent trouble with the greens proved to be the Penn State's downfall, as it dropped three places in one

"Rollins just improved themselves temendously," sophomore Jody Harpster said. "They shot in the 320s the first two days and then shot a 309. We were all in the 80s, and that's not going to win. No one had a really oustanding round the last day.

"We were shooting in the 320s, and that was good enough for the lead (the first two days)," Harpster added. "But to play well we have to shoot between 310 and 320. I think Coach (Denise) St. Pierre knew the other teams would have better performances the third day. It would have been nice to win it for the seniors.'

## Softball team back from tiring road trip

By STEVE SAMPSELL Collegian Sports Writer

Ahhhh, the excitement of traveling. Seeing the world. Experiencing new things and meeting new people. What else could be more thrilling?

Where can you find excitement like this? In the Army? Navy? Air

Actually, if you happen to play softball, the answer is none of the less than ideal," Rankin said. above. Indeed, the Lady Lions (17-20 overall, 3-3 in the Atlantic 10) may know more than anyone else on campus about the 'excitement' of travel.

The squad returned yesterday from a four-day, eight-game road trip that left the team "completely exhausted and tired," according to Head Coach Sue Rankin.

The Lady Lions went 3-4 on the trip, but Rankin was very happy with her team's performance against some of best squads in the Northeast.

'The pitching was strong, especially Aileen (Polanis), who pitched over her head all during the trip. Defensively, we were steady and Nan Sichler has been

and defensively," she said.

The trip began at Rhode Island last Thursday, where the Lady Lions split a twinbill with the host Wrams, winning 3-2 and losing 5-4

in nine innings.
One of Penn State's biggest problems in that series was the weather, as the games were played in freezing rain that severly hampered the level of play.

"The weather was definitely

On Friday, the Lady Lions moved on to face Connecticut (No. 20 nationally, No. 1 in the Northeast). However, only one of the two scheduled games was played becuase of more awful weather. The final result was also awful, as Penn State dropped a tough 2-1 decision in 14 innings despite some good pitching from

"She pitched one of the best games I've ever seen a pitcher pitch," catcher Melinda Silva said. "It was just a matter of who got the runs. We scored early, but they won."

After the loss, the team bounced back on Saturday and swept two important A-10 games from Masinstrumental all year, at the plate sachusetts, 4-2 and 1-0.
