**RABBI NATHAN LOPES CARDOZO**

**INSIDE G-D'S MIND**

Rabbi Nathan Lopes Cardozo combines in-depth training in Talmud and biblical exegesis at Great Britain's premier Rabbinic Academy with a Master's degree in modern philosophy from a well-known university in his native Holland.

Currently a senior lecturer in Jewish philosophy at two academies in Jerusalem, Rabbi Cardozo lectures extensively in England, Holland and the U.S.A. He is the author of two books, *The Torah as G-d's Mind* on Jewish mysticism, and *The Infinite Chain* on the relationship between the written and the oral traditions in Jewish thought.

In *Inside G-d's Mind*, you can join Rabbi Cardozo for an introductory journey into the world of the Kabbalah, the source of Jewish mysticism. His lecture unmasks the real Torah, its narratives and its commandments as he discusses the Jewish view on extraterrestrial life, the afterlife and the life of the soul.

If you've ever wondered about the basics of Jewish thought and mysticism, don't miss this chance to fill in the gaps in your knowledge.
