## Police Log

**Bicycle collides with automobile**

A bicyclist was cited for riding without a light and for running a red light yesterday evening when his bike collided with a car at the intersection of Garner Street and College Avenue, State College Bureau of Police Services said.

Phillip J. Ernst of Butler crashed his bicycle into a car that was stopped at a red light. The car was owned by David G. Smith of Monongahela.

Witnesses reported that they heard a thump and turned to see Ernst and his bicycle in the air over Smith's car.

Neither Ernst nor Smith was injured in the accident, police said.

**Two people injured during collision**

Two people were injured in a collision yesterday morning on University Drive and East Prospect Avenue, State College police said.

Mabel Ruth Gray, 85, 739 E. Foster Ave., pulled her car out onto University Drive from the Walks Service Station parking lot and entered the path of a car driven by Deborah J. Taylor, 28, 841 Southgate Drive, police said. Taylor was heading south on University Drive and was unable to avoid the collision, police said.

Gray was treated for a bleeding face wound and released from Centre Community Hospital. Taylor remained in Centre Community Hospital for treatment of neck pain yesterday afternoon, said a hospital spokeswoman.

Gray was cited for failing to yield when entering a roadway, police said. Both cars sustained moderate damage.

■ **Criminal Mischief:** Eric Rozzi, 204 Packer, reported someone removed his secured bicycle from a rack outside Packer Hall between Friday night and Saturday morning, University Police Services said. The crankshaft and front sprocket were damaged and the seat was stolen. Total damage is \$100.

■ **Criminal Mischief:** University employee Charles Barrant reported that someone threw a water balloon that struck and shattered a window in Findlay Commons' Dining Hall B at 6:22 p.m. Monday, University police said.

Flying glass fragments scratched Cheryl Heidel of Curtin Hall, but she refused medical treatment, police said. No damage estimate was available.

■ **Theft:** A 1983 Yamaha golf cart was taken from a parking lot at Centre Hills Country Club, 901 E. Branch Road, between 8 p.m. Monday and 8 a.m. yesterday, State College police said. A club member had parked the cart in the lot before it was taken, police said. No value estimate was available.

■ **Theft:** George Puhak, 215 W. Fairmount Ave., reported that his black Raleigh 15-speed mountain bike was taken between Monday and yesterday from his residence where it was locked in a storage room, State College police said.

The bike is worth \$400.

■ **Theft:** A parking meter head was taken from a meter at 100 Hiester St. between Aug. 30 and yesterday, State College police said. The meter head is worth \$180.

## Four Philly banks robbed; total reaches 100 for city

PHILADELPHIA (AP) — Four more banks in Philadelphia were robbed yesterday, bringing the 1991 total in the nation's fifth largest city to 100, the FBI reported.

In one robbery, two men drove a truck through the plate glass window of a Fidelity Bank branch in northeast Philadelphia.

They grabbed an undetermined amount of money and fled in a waiting car, the FBI said.

In the second robbery, a male entered a CoreStates-First Pennsylvania branch in north Philadelphia and handed a teller a note demanding money.

The third robbery occurred about 12:15 p.m. at a Continental Bank on Broad Street in North Philadelphia. FBI spokeswoman Linda Vizi said this was also a "note job," where the robber handed a teller a message demanding money.

The fourth occurred at 3 p.m., when a man walked into Provident National Bank in North Philadelphia and handed a teller a written note demanding money, Vizi said.

The FBI says four out of five robbers are caught, and 19 out of every 20 caught are convicted. The sentences are stiff — 20 years for unarmed holdups, 25 for armed.

## YOU CAN MAKE A DIFFERENCE!

### BIG BROTHERS/BIG SISTERS

One person can really make a difference in a child's life. You could be that person. Currently there is a tremendous need for volunteers to work with children, aged 5-17, who need special attention, companionship and adult support.

A volunteer does not need to have any special training or background—just a sincere desire to help a youth by being a friend.

Being a Big Brother/Big Sister can be fun but also can be a time for personal growth and development.

Since this is a county wide program, availability of a car is of prime importance.
