Celebrity Dirt

'Chicago Hope' doctor made patient

LOS ANGELES — Is there a doctor in the house? Peter Berg of "Chicago Hope" needed one after his head was gashed by a candlestick-swinging "ER" star Noah Wyle.

It wasn't an escalation of the rivalry between the CBS and NBC medical dramas.

Wyle, who plays Dr. John Carter, and Berg, who portrays Dr. Billy Kronk, were rehearsing the two-man play "The 24th Day." Wyle was supposed to swing the candlestick and miss.

Berg needed six stitches after Friday's accident at the Coronet Theater but was back on stage for Saturday's premiere.

"Noah got a little carried away and put a candlestick on my head and cracked it open in the middle of a show," Berg said in an interview with television's "Extra." "But we got through it."

Willis to play World War II sergeant

LOS ANGELES — Bruce Willis is likely to star in the movie version of the 1960s TV series "Combat," Daily Variety reported Monday.

The movie, to be directed by Walter Hill, also has attracted interest from Eddie Murphy and John Goodman, the trade paper said. Willis' production company will produce.

Willis will portray Sgt. Chip Saunders, the World War II fighting man portrayed by Vic Morrow during the show's 1962-67 run on ABC, Variety said.

'Northern Exposure' star acts as raconteur

NORTH RICHLAND HILLS, Texas — "Northern Exposure" actress Janine Turner is turning her attention to younger audiences.

Turner regaled an audience of 300 adults and children Saturday with stories and poetry selections at a Barnes & Noble Bookstore.

"I've been saying that reading is the motor of the mind, and it really kind of is," Turner said. "The more people are read to, the more they understand the language better."

"Besides, I don't think the gift of reading a book should be a lost art," said Turner.

'Godfather' director to preside over Cannes

PARIS — Francis Ford Coppola will be the godfather of the Cannes Film Festival.

The Oscar-winning director of such movies as *The Godfather* and *Apocalypse Now* agreed to preside over the festival jury, it was announced Monday.

He won Golden Palm awards at Cannes for his 1974 film *The Conversation* and for *Apocalypse Now* in 1979.

"Cannes remains very close to my memories of tender moments, and returning as president of the jury is like a happy homecoming," Coppola said.

The festival runs from May 9 to 20.
