## Today's HOROSCOPES

By Jacqueline Bigar ©1997 by King Features Syndicate, Inc.

**HAPPY BIRTHDAY** for Friday, July 25, 1997: This year proves both complicated and life-transforming. You reform your finances and personal life. Unsettling events bring changes, whether or not you choose them. Ultimately, you benefit, in spite of any discomfort in the process. Gracefully accept loss and fortune, there will be equal amounts of both. A medical checkup is essential. If you are single, avoid intrigues. You draw rebellious personalities who are exciting at first but more trouble than they are worth. If attached, avoid clutching your mate or being dictatorial. ARIES can be depressing.

**The Stars Show the Kind of Day You'll Have:** 5-Dynamic; 4-Positive; 3-Average; 2-So-so; 1-Difficult.

**ARIES** (March 21-April 19)  
★★★★ Accept others for who they are without being judgmental. You are energetic and exhausted by turns. Honor your body's needs, and take a break from the frenetic pace when necessary. It is dangerous to indulge in gossip at work. Tonight: Enjoy a good horror movie.

**TAURUS** (April 20-May 20)  
★ Don't stray far from home. If you can take a day off, now's the time. Home-based projects and activities are comforting because you are in control. Screen calls, find a paintbrush and create something beautiful. Tonight: Balance your budget.

**GEMINI** (May 21-June 20)  
★★★★ A document makes all the difference in an important business matter. Keep it in a safe place. A loved one creates an uproar later in the day; reach out and hear the obvious cry for attention. You can help healing take place. Tonight: Seek out peace and quiet.

**CANCER** (June 21-July 22)  
★ The energy level of the people around you doesn't match your own. There's no point in trying to keep up; follow your own drummer. Don't let the day's events make you a nervous wreck. Look around; you'll find another who is on your wavelength. Tonight: Have coffee with a pal.

**LEO** (July 23-Aug. 22)  
★★★★ Drama is high everywhere, just the way you like it. In the midst of chaos, you can maintain order in your environment. Smile, and let another's rigidity roll off you. You are in the driver's seat. Educate others, and know that your ideas are sound. Tonight: Go dancing.

**BORN TODAY**  
Actress Estelle Getty (1924), actress Barbara Harris (1935), super model Iman (1955)
