**Today's HOROSCOPES**  
By Jacqueline Bigar ©1997 by King Features Syndicate, Inc.

**HAPPY BIRTHDAY** for Monday, July 28, 1997: This year, it's hurry up and wait. Key events seem uncontrollably delayed; you feel pressured to make decisions. Loved ones support you but are sometimes preoccupied. Humor is the best way to deal with uncertainty. You are sharp and especially sensitive to others' changing emotions. Use your perceptiveness and excellent communication skills to navigate through. Success is ultimately yours. If you are single, friendship becomes more desirable than romance. A relationship is too complicated to pursue now. If attached, personal transformation becomes important to both of you. GEMINI teaches you detachment.

**TAURUS** (April 20-May 20)  
★ ★ ★ The earlier you begin the day, the more you accomplish and the more pleasant your environment. By afternoon, expect bickering among co-workers; bypass it. Consider slipping out early, destination home. You'll be glad you took time for yourself. Tonight: Unwind.

**GEMINI** (May 21-June 20)  
★ ★ ★ You are direct and a little more headstrong than usual. Allow others' viewpoints equal consideration. Much can be learned if you transcend knee-jerk responses and suspend judgment. You feel relieved that you don't have to try so hard! Tonight: Study a new subject.

**CANCER** (June 21-July 22)  
★ ★ Know when you are acting impulsively or have motivations that are counterproductive. No one is to blame for what is going on. Release what cannot be forced, and get on with the business of living in the present. Tonight: You have a liberating revelation.

**LEO** (July 23-Aug. 22)  
★ ★ ★ Out of the clear blue, you discover a course of action that is available, workable and beneficial to all concerned. However, you are hard pressed to connect with those who can help you implement it. A low-key approach is the right one. Tonight: Make a few calls.

**VIRGO** (Aug. 23-Sept. 22)  
★ ★ ★ If it needs fixing or revision, chances are you'll be called upon to handle it. Crisis hits the office, and an associate needs tending. Jump in; preparation is not as important as an upbeat delivery. Your take charge tack has all running smoothly in no time! Tonight: Take a hot bath.

**LIBRA** (Sept. 23-Oct. 22)  
★ ★ Anger builds with a partner; you knew you would have to deal with it eventually. There is no way around it. Change the direction of a relationship, which could mean going your own way. You know the proper path. Tonight: Take a tai chi class.

**SCORPIO** (Oct. 23-Nov. 21)  
★ ★ ★ You stay grounded while others lose control, making you a winner. Be reasonable when faced with confusion and those with less-than-honorable motives. Detachment makes you the most powerful force on the scene, as others soon discover. Tonight: Buy new clothes.

**SAGITTARIUS** (Nov. 22-Dec. 21)  
★ ★ ★ ★ You champion another's cause, maybe confronting the one you hold accountable for the injustice. The one you defend might end up angry at you for making a scene. Choose your battles carefully; passive resistance is preferable to all out war. Tonight: Laugh and forget.

**CAPRICORN** (Dec. 22-Jan. 19)  
★ ★ Stay in today, if you can. You can effect internal changes but are powerless to influence others. The less said, the better. Don't get thrown off-balance. There is a dullness in the air, however temporary. Beautify yourself, and let others do as they will. Tonight: It's your choice.

**AQUARIUS** (Jan. 20-Feb. 18)  
★ ★ ★ ★ A project slows to a trickle. Your first response is to get things back on track. The foundation is not as solid as it should be. Discuss it with a reasonable third party before continuing. A reworking might be just the breath of fresh air needed. Tonight: Be gone!

**PISCES** (Feb. 19-March 20)  
★ ★ ★ Avoid direct confrontation on this unsettling day, despite the over-the-top behavior you witness. Don't upset yourself with unnecessary intrigue. The problem is elsewhere. Don't expect anyone else to see this; just remove yourself from the noise. Tonight: Turn in early.

**BORN TODAY**  
Former Senator Bill Bradley (1943), cartoonist Jim Davis (1945), actress Sally Struthers (1948)
