Out for BLOOD at the 5th annual Penn State~Michigan State **BLOOD DONOR CHALLENGE**

The Challenge

- ◆ The Blood Challenge is a contest between Penn State and Michigan State Universities, to see which school can generate the most blood donations in the 2 week period leading into the PSU-MSU football game, held here November 28th.
- ♦ The lifesaving purpose behind the event is to help the American Red Cross build blood inventories for the holidays, when it is very difficult to maintain a stable blood supply.
- ◆ The "score" in the annual contest is PSU-3; MSU-1. The winner of this year's challenge will be announced at the football game.

You have a ONE in FOUR chance to win a Challenge T, courtesy of Student Book Store, along with other gifts. Challenge Buttons from SBS available for all participating donors.
