ENGINEERING PROGRAMS
\$27,700 a year while in college

The Nuclear Propulsion Officer Program pays a minimum yearly salary of \$27,700 to students in engineering, math, physics and chemistry majors with a minimum GPA of 3.0 while attending college. No additional classes or ROTC drill obligations are attached to this program. Upon graduation, additional training will lead to a position as a plant supervisor and commissioned officer on a nuclear submarine or aircraft carrier.

Call (800) 245-1772 from 8 AM to 4 PM or e-mail navyengineering@home.com for additional information.
